

SENIORS FOOTBALL

ENJOY A RELAXED AND FUN FOOTBALL SESSION FOR PEOPLE OF ANY ABILITY...

However the session offers much more than something to do – It's a chance to get active and build stronger social and business networks.

GETTING ACTIVE AND TAKING PART IN REGULAR EXERCISE IS SOMETHING THE UITC SCHEME WORKS TO PROMOTE TO THE YOUNGSTERS WE WORK WITH.

Encouraging adults to do the same sets a good example for the children and young people living in the area.

Recreational football is as popular as ever.
