From Thursday 24th February 2022 all remaining Covid-19 protocols will be removed. The government has also confirmed all sport specific COVID-19 guidance is no longer required.

However, can I just remind everyone that the virus doesn't know that so continues to be part of our everyday lives, with new cases of infection happening daily!

With this in mind, we as a Club will continue the use of our own Secure Check In system via the QR codes positioned around the ground until the end of the season.

With all protocols removed, we can only ask you to check in to help keep the spread of this virus to a minimum!

With all Covid remaining COVID-19 protocols now removed, we would ask all our visitors to our Badingham Road ground to be responsible for their own health & wellbeing & others especially in crowded settings which will help protect everyone supporting the Club and grassroots football!

We appreciate and thank you for your cooperation.

## Chairman's Welcome....

Good afternoon and welcome to Badingham Road, home of 'The Castlemen' for this afternoons local derby in this Thurlow Nunn North Div1 fixture.

Today we offer a warm welcome to the management, players, club officials & travelling supporters of **Diss Town FC** and hope they enjoy our hospitality and facilities.

We also offer a warm welcome to our three match officials and hope their short stay with us is an enjoyable one.

After a great run of results in recent weeks and another clean sheet and 3 points away at Huntingdon Town (0-3) last Saturday saw the First team climb into the playoff positions!  
The A' team meanwhile, played their Primary Cup Quarter Final at Gainsborough against Hope Church FC and came out 4-2 winners earning a Semi- Final place.

Unfortunately, our U18's came up against a very good Ipswich Town side in their recent Midweek Cup Quarter Final match, ending their excellent Cup run for another season!

However, a good 1-0 away win in the League on Thursday night at Harwich & Parkeston keeps them midtable.

### **Don't forget! Tonight is Sports Quiz Night.**

Please come along and support our fund raiser!

We look forward to a good game and whatever the outcome, I hope you will join us for a drink and hot food in the main clubhouse after the final whistle.

Thank you for your support today and hopefully we will see you all at the next home game.

Finally, please have a safe journey home.

## News Update....

### Congratulations To Framlingham Duo.....

Two FA Long Service awards were presented at Framlingham Town prior to our recent home game v Wisbech St Mary.

The awards which mark 50 years service to grassroots football were presented to club secretary Fiona Whatling and posthumously to former Committee member Christine Vice, whose daughter Tina received the award on her behalf.

A fantastic achievement by both these green & white stalwarts to have served the same club for 108 years between them!

Sadly, Christine passed away back in August and she is sadly missed.

## Presidents View....

2020 was certainly the toughest year we have ever faced as a football club, and I'm pleased to report that we weathered the storm and came out the other side stronger than ever.

A huge thanks goes to our volunteers, members, sponsors & supporters, and our professional, passionate & dedicated management committee who have been unfailing in their tireless support to get us through. Chairman Dean and Secretary Fiona have been instrumental in applying and gaining valuable funding from various sources to enable the club to financially keep buoyant and to meet other shortfalls. Dean has led on the COVID initiatives to enable the club to adhere to the government requirements.

We were privileged that the majority of our sponsors maintained their commitment to the club in the shortened season and thank them for their continued support and we are extremely pleased to have a new main sponsor Tom Palmer (TMP CARPENTRY LTD) for the foreseeable future.

2021 sees the first team venture into unknown territory in their league programme with trips into Cambridgeshire in the newly structured leagues. All the managers from last year have been appointed to the 2021/22 season and best wishes go to them all.

## Match Report...

### **McDONALDS SUFFOLK PRIMARY CUP QUARTER FINAL HOPE CHURCH 2 FRAMLINGHAM TOWN A 4**

Owen Cameron sealed victory in the 85th for Fram after a 3-0 half time lead was reduced to a single goal in the second half. After a poor start by both teams Ash Darwell-Taylor earned a free kick on the edge of the penalty area on 2 minutes and Isaac Robinson shot high into the goal for a great start against a team who have only secured one win this season in Division 3.

Wadell had to be substituted early on with Lewis Mansfield taking his place. Lewis squandered a good chance before Josh Clayton shot over the bar following good work from Ash. On 22 minutes Hope Church thought they had equalized, however a great save by George Abel from a Rawnsley shot gave the home side a corner. Clayton again had a chance however Fram increased their lead on 39 minutes when great play by Robinson gave Ash the opportunity to score from close range. As Hope pushed forward Fram looked unsettled however Captain Holmes scored a third when he curled the ball into the far corner of the net from the edge of the area.

Hope Church never gave up and had the better of the second half and were given encouragement when a defensive mix up gave Rawnsley an open goal to pull a goal back on 49 minutes and ten minutes later a second goal was scored by the home side when Rawnsley shot high beyond Abel.

Fram weathered the storm, and the tie was secured on 85 minutes when Robinson's skill in the penalty area brought a parried save from Buchanan only for substitute Cameron to guide the ball into the empty net.

So onward to the semi-final against either Bardwell, Wickham Market Reserves or Kesgrave Kestrels.

**MOM:** Isaac Robinson.

## Diss Town FC History...

Diss Town was formed in 1886 after a suggestion from the local cricket club who shared their ground at Roydon Road. The Club played friendly matches at first but in 1891/2 won their first trophy when they defeated Yarmouth 2<sup>nd</sup> XI in the Norfolk Junior Cup Final. The Club's first league football came in 1906/7 when they joined the Norwich and District League. They reached the final of the Norfolk Junior Cup again in 1924/5 but this time lost to Jewson Athletic. During this period Diss were to meet Ipswich Town (then a Southern Amateur side) on three occasions in the FA Amateur Cup. Diss lost 4-2 in 1929/30 and by the same score in a replay two seasons later (following a 3-3 draw).

In 1935/6 Diss were elected to the Norfolk and Suffolk League and in 1950/1 entered the FA Cup for the first time. In 1955/6 they were runners up in the league and beaten finalists in the League Cup competition. They did however win the League Cup in 1956/7, 1959/60 (shared with Gothic) and 1960/1.

The Club joined the newly formed Anglian Combination in 1964/5 and in 1967/8 won the Division One championship and the League Cup. The Division One championship was won again in 1973/4 and in 1974/5 they won the Norfolk Senior Cup for the first time defeating St Andrews 3-2 at Carrow Road. During the same season they were runners up in the Anglian Combination Premier Division. In 1975/6 they again had to settle for the runners up spot but there was consolation in winning the League Cup. In 1976/7 the Club finally won the League Championship, a feat they repeated in 1978/9. There were also further League Cup victories in 1979/80 and 1981/2.

In 1983/4 the club moved from Roydon Road to a newly acquired six-acre site at Brewers Green Lane. A new clubhouse and AstroTurf all weather playing area were soon added. In 1988/9 Diss left the Anglian Combination to join the newly formed 1st Division of the Jewson Eastern League. After a couple of near misses, they finally won the Division One championship in 1991/2. The same season saw the club reach the quarter finals of the FA Vase (bowing out by the only goal in a replay against eventual winners Wimborne Town) and the final of the Norfolk Senior Cup. Again, a replay was their undoing, losing 2-1 to Fakenham Town following a 2-2 draw. There was cup success for the Reserves however when they won the Norfolk Junior Cup (Exactly 100 years after the first team had won it in 1892). They were unable to defend the cup due to promotion to Senior football.

Off the field of play further developments were being added. A new covered stand with seating for 270 was also completed in 1992, a covered standing area behind one goal in 1998 and further clubhouse extensions in 2004.

The 1993/4 season was the greatest in the club's history. The FA Vase 'run' which started in November against Tring Town climaxed on May 7<sup>th</sup>, 1994, with a visit to Wembley Stadium to play Taunton Town in the final. Diss had also defeated Ford United, Torpoint Athletic, Kings Lynn, Tiverton Town, and Atherton Laburnum Rovers to earn their place at the "home of football".

Before a crowd of 13,450 Diss trailed for much of the game but a penalty from Paul Gibbs deep into injury time and an extra time winner from Peter Mendham brought them victory and signalled a

celebration in Diss the likes of which had never been seen before.

In 1995/6 Diss were runners up in the Jewson League but won the Norfolk Senior Cup for the 2<sup>nd</sup> time beating Wroxham 4-0 in the final. The next season however the Yachtsmen gained revenge with a 4-1 victory at Carrow Road. In the 2000/01 season the team reached the Jewson League final for the first time in its history but were beaten 3-1 by Wroxham. Diss played in three successive Norfolk Senior Cup Finals under Robert Fleck. They beat Yarmouth 4-1 in 2003 and Wroxham 3-0 in 2005 but were beaten on penalties by Wroxham in 2004.

Diss were relegated to Division One in 2007 and beat Hadleigh 1-0 in The Division One Cup Final in the 2008/09 season under the management of Rob Taylor. Promotion back to the Premier Division was secured at the end of the 2010/11 season. A new 3G surface was installed to upgrade facilities in September 2011.

At the start of the 2009/10 season Diss included a full range of Youth Teams after Bressingham Youth approached The Tangerines with a view to a merger. This was approved by The Members of both Clubs. Young players start the route to the Diss First Team from the age of seven wearing the tangerine shirt. This included the addition of a girls' team for the first time in 2011/12.

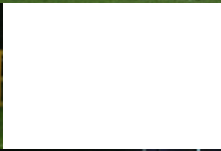

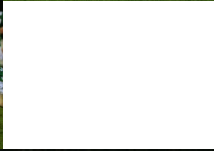

Richard Daniels joined from Gorleston to become manager of Diss Town in the 2012-2013 season, following Rob Taylor's departure. Ex-Sudbury Town Manager, Chris Tracey then teamed up with Richard to become assistant manager. Chris Tracey became Manager in 2013-12024 when Richard Daniels stepped down.

Towards the end of season 2013-2014 Mike Derbyshire was appointed Manager, and despite improved performances, Diss finished in the bottom three. The Tangerines were given a reprieve from relegation due to league reorganizations and various club movements. During the close-season, Mike brought in former Wroxham Manager, Pawel (Pav) Guziejko as his Assistant Manager. After disappointing results, and the departure of Mike Derbyshire and his management team, Mark Reeve returned to the club for the Norfolk Senior Cup 4th round tie on 22nd November 2014 as 1st Team Manager and the Tangerines secured a victory after extra time. Despite improved form and better results the Tangerines were unable to avoid relegation to the Thurlow Nunn 1st Division for the 2015-16 season.

In the 2015-2016 pre-season Mark Reeve moved into a new role for the Tangerines due to his work commitments. Ross Potter joined the Tangerines as Manager, and Dominic Jones as Assistant Manager, both from Long Stratton. In May 2017 they left to join Wroxham, with Jason Cook taking on the role for the 2017/18 season. He did well to build a squad at short notice but resigned in December 2018. Jon Abbott and Lewis Plowman joined in January 2019 and guided the team away from the potential relegation places. They have built their own squad for the 2019/20 season.
