### **Valued Volunteer Policy**

Cleckheaton RUFC can only function with input from volunteers as there are no remunerated positions in the running of the administration of this club.

Although the steadfast backing from members and supporters is much appreciated, those who choose to give time and energy for the running of the Club are genuinely valued for whatever their input they contribute.

The Club has many members and supporters who may not wish to be active in management areas but may be willing to perform small or irregular volunteer tasks.

If you would like to help in any way, your input would be valued: please contact the Club Chairman or Secretary.
