## **Message from the Chairman**

**Tony Talbot B.E.M., Executive Chairman**

I would like to take the opportunity to welcome everyone to today's match, whether they are players, officials, guests or spectators.

The Club was founded in 1992 after arson destroyed the original building at our home venue. Three local clubs got together to rebuild the facilities, so this resulted in the formation of Crawley Green as we know it today.

From humble beginnings and a handful of teams, the club has gone from strength to strength, so much so that it now numbers over 32 teams (3 Saturday teams, 3 Sunday teams, 2 Veteran's team, and 25 Youth teams, plus a Development Centre for boys and girls aged 4-7).

Without doubt the strength of Crawley Green is its members, now numbering 1200, many of whom put countless hours back into the Club, thus building our reputation as a club where football can be enjoyed.

The Club achieved the coveted FA Charter Standard Development Club Award in June 1992. This was shortly followed by the FA Charter Standard Community Club Award, when we were one of the first 100 clubs in the country to achieve this award.

In June 2004 the club received a grant from the Football Foundation for £286,315 to build six new changing rooms and two officials' changing rooms, all complete with their own toilets and shower facilities. The project also included a new kitchen and coach/education room.

Our coaches continue to support Active Luton with their football coaching sessions for the disabled at the Luton Regional Sports Centre. Crawley Green has also become one of Bedfordshire's first 'deaf friendly' football clubs by signing up to the NDCS Deaf Friendly Football Club Pledge. By signing the pledge launched by the National Deaf Children's Society (NDCS), the Club has committed to opening up the sport to deaf people.

The Club, who are the only Luton based team to play at Step 5 or above of the National League System, have been trying since 2008 to get permission to build a suitable stadium in Luton. Unfortunately in that time they have failed to receive the support needed from Luton Borough Council, despite there being no cost involved for the Council.

That decision has meant that we had to ground share with Barton Rovers FC for 11 years, to enable the team to continue to play at this level. It was then great news for us when Luton Town FC further enhanced our partnership, with the offer for Crawley Green FC to play all our home games, down here at the Brache training ground.

After being the first club to become an official community partner with Luton Town FC we have seen a number of ex-Crawley Green players go on to play for Luton, as well other professional clubs. It was with great pride and great satisfaction for us, that we recently saw ex Crawley youth player James Justin transfer from Luton to Leicester City, for a reported fee of 12 million pounds.

Everyone at Crawley Green was truly delighted when ex youth team player James Justin received his maiden call-up to the full England squad, when he was included in the squad for the recent Nations League fixtures! Having already played for England's U21's alongside another one of our ex-youth players Max Aarons (Norwich City), and with Luke Trotman and Issac Galiford who both recently represented England C, it gives the Club further accolades. It's also great to see Josh Neufville continue to learn his trade by joining Sutton Utd on loan for the season. Along with Lewis Baker (Stoke), Tyreeq Bakinson (Bristol City) and Tyler Reid (VPS Finland), this brings our total of ex-players currently playing profession to six.

It further enhances our reputation, proves we are doing things right, and justifies all the hard work that everyone involved at Crawley Green puts in.

**Enjoy the game**

**Richard McKinley, Joint Manager**

**Craig Savage, Joint Manager**

### ***Message from Chairman Kate Binns***

Firstly, welcome to The Brache Home of Crawley Green Football Club.

This season we will meet up with old friends and new, but always a great football community to be a part of.

There is a new committee for the 22/23 season who are committed to building on what is already a great club. There is much to do, but a lot of enthusiasm in the committee room!. The committee is made up from people who have been involved in football previously, and all with Crawley Green at some point in their football careers. There are a lot of the committee who are stepping up into a committee role for the first time, which by default brings a new way of thinking and fresh ideas, which is exciting but daunting too. So, I am grateful to the old committee who are still around and helping the new committee settle in.

On the pitch it is great to see all adult Saturday side management teams staying at the club and working together to build a more cohesive pathway in the club. This will take time to get right, but all managers are committed to this aim. The managers have been working hard with their squads in pre-season training and have also been working hard at looking at some new players and retaining players from last season. There appears to be a great deal of fun being had by the players in training sessions which is good to see.

Off the pitch a lot has been going on in the summer with general repairs, cleaning, and painting at our home ground at The Brache. Additionally, a lot of work has been done retaining and finding new sponsors. Grassroots football is difficult to fund, when we are all being financially squeezed it seems that we continue to be pressed for more money. Without our sponsors, valuable volunteer time and the hard work of our managers, we simply wouldn't survive so a massive thank you to our sponsors, managers and everyone who helps behind the scenes and on match days.

To sign off, all of the committee members hope you enjoy your time with us and here's to a great season.

***Kate Binns***

### ***Crawley Green FC welcomes our new Club Secretary Darren Manning***

I have been involved in football for about 20 years, in various roles in and around Milton Keynes, including working at MK Dons academy for three years. I am currently a Level 4 level Referee. I moved to Luton about ten years ago and when my son started playing at Crawley Green Youth I started to get to know people and became involved in the Club. I became a committee member for Crawley Green Sports and Social Club and was approached by the Saturday Adult Football Club to take on the role as Secretary. I understand I have large shoes to fill picking up the reins from Alan Clark but grateful that he and Trevor Savage are helping me settle in.

I am looking forward to my new role at Crawley Green FC and hoping for a successful season.

2018-2019 Crawley Green 3rd Team Runners Up Beds County Cup

## First Team Expectations

**Paul Blackman, Manager**

Good afternoon and a very warm welcome to The Brache, home of Crawley Green FC.

After an absolutely crazy season last term, I personally would like to thank the committee, the backroom staff, and all the players for all their efforts, loyalty and commitment over my tenure at the club.

What a rollercoaster of a season it was. So many ups and downs, and I believe a hell of a lot of lessons learnt, as we move into the new season.

If I had to pick one thing from the run in to the end of the season, it was watching the players never giving up. Even when we took a heavy loss away from home, the lads were still positive they could get out of the relegation zone.

With the encouragement we all received from the committee, even on some of our darkest performances, I believe this all helped massively in achieving the great escape.

Moving onto the new season, we have managed to build a full back- room staff.

Having retained the services of my Number 2 Matt Harding, who was a massive help to me last season.

I'd like to introduce our new head coach Chris Robson, a vastly experienced coach, who in his short time with us, has already improved how we are looking at our training sessions.

We have also retained the services of our Goalkeeping coach Dean Snaith, plus retaining the services of our Physio Deep Patel.

I firmly believe we have set solid foundations to move the team and club forward.

All in all we are really excited for the new season, we've strengthened the squad as a whole, brought in some experience, to go along with some really exciting young talent, that we can't wait to unleash on the Spartan Premier this season.

I'd also like to thank all our sponsors for this term, it's very much appreciated, a club our size would not be able to function without your generosity.

Finally I'm reaching out to all the parents, players and supporters of all the Crawley Green Youth teams, come down to the Brache and support the 1st team, become our 12th MAN.

Wishing all our opposition teams the very best, and hope you all enjoy the games.

**Paul Blackman, Manager**

## Reserve Team Expectations

**Craig Savage and Richard McKinley Reserve Team Joint Managers**

We are very proud and excited that the committee has asked us to carry on as Reserves joint managers for the 2022-2023 season. We feel we definitely have unfinished business to do. Although we had a great season, finishing runners up, only losing out on goal difference on the final day is no mean feat, but we can't help thinking what might have been. But we send our congratulations to

Biggleswade FC Reserves and look forward to competing with them this season. As with any new season, there will be a turnover of players, coming in, and going out.

We hope to keep the nucleus of our squad from the previous season, as it was a young squad. But we will also be looking at promoting from within, we will be keeping a close eye on our U18s who are looking to progress up to adult football.

The Bedfordshire County League will be very competitive this season, no one team will run away with the league. Any team on a given day will beat each other.

So we can't afford to drop our standards, we must be ready to compete with anything, or any team we come up against.

All we ask for is consistency, and commitment from the players.

Work hard, Train hard, and enjoy your football.

We look forward to your support at our home matches at Crawley Green Sports & Social Club.

**Joint Managers Richard McKinley & Craig Savage**

## New Season Expectations

Owen Younger, U18s Manager

It is with great pleasure that we are again able to again offer opportunities for our talented under 18's with midweek Floodlight Football at Crawley Green. This has proved an important step in the development of our younger players, giving them a platform to play and develop at a higher level with many of our graduates playing in our First, Reserves and U23's sides and others playing further afield in Step 3,4 and 5 sides.

We welcome many new sides to Crawley this year as we move back into the Corinthian division, with trips to Leighton Town, Luton Town, Leverstock Green, Kings Langley and Berkhamsted. Fresh challenges and relationships ahead.

I am again fortunate this season to be partnered with Darren Valentine, who has had a similar coaching journey and is very player focused with an eye for detail. At this age, the boy's face a difficult period in their lives as they venture into college and full time work, and it will take all of Darren's efforts to keep them focussed on the season ahead and on the straight and narrow, especially with all the distractions of today's teenage world.

Our Club Football Development Officer Jimmy Sherlock also is supporting again this season which should provide continuity for future years as well as being a fellow Crawley Youth committee member, strengthening that conveyor belt of talent from our successful youth setup. It is with great delight and a credit to the many volunteers that we see players who have joined the club at 4 years old and continue to play for us at U18. Long may that continue.

This will be a two year project again reflecting on the fact that many of the squad are very young, with the first year focussing on improving individual player strengths and offering development advice and the following season putting lessons learned into practice. A recipe that has brought success in the past.

We are always looking for sponsors to support the journey of these young men as they open the door to adulthood, so please get in touch if you are reading this and can support financially or can help in any way with advice or time.

Thanks also needs to be given to the Social Club and its members, as well as the Youth and Adult Committee who continue to support this important development project.

Finally, good luck to all those who join the squad this season, challenge yourself and fulfil your potential, but above all else enjoy yourself.

Thank you to our sponsor 'Proud to support local youth'

## Crawley Green Sports & Social Club

Crawley Green Sports & Social Club was formed in November 1988 after arsonists caused the virtual destruction of the present building. Members of Stopsley Harriers, Wyvern Members and Ramridge Rangers Sunday football clubs amalgamated to form the present club and were successful in securing a 99-year lease on the premises from the Council.

The new Clubhouse was formally opened on 19th June, 1992 by then Luton Town manager, David Pleat.

### STOPSLEY HARRIERS

*Founded: 1980 Club colours: Red/Blue squares*

### RAMRIDGE RANGERS

*Founded: 1986 Club colours: Maroon and white*

### WYVERN MEMBERS

*Founded: 1986 Club colours: Blue and white*

### CRAWLEY GREEN FC

*Founded: 1993 Club colours: Maroon*

The badge incorporates all the elements of the three clubs and is based on the Crawley family crest of three herons to signify not only the three founding clubs but also local history. The Club badge was adopted in 1996 after many years of discussion.

Maroon, the club colour of the largest single club Ramridge Rangers, was adopted as the Club colour and is incorporated in the Club badge as the bar across the middle.

Stopsley Harriers have been well known for their red and blue quarters, whilst Wyvern Members were predominantly blue since their foundation. Both these colours are reflected in the badge.

Crawley Green FC, the Saturday football team, was formed in 1993 after another local team, Somerset Tavern came under the Crawley Green umbrella. The club colour of maroon was adopted by the team.

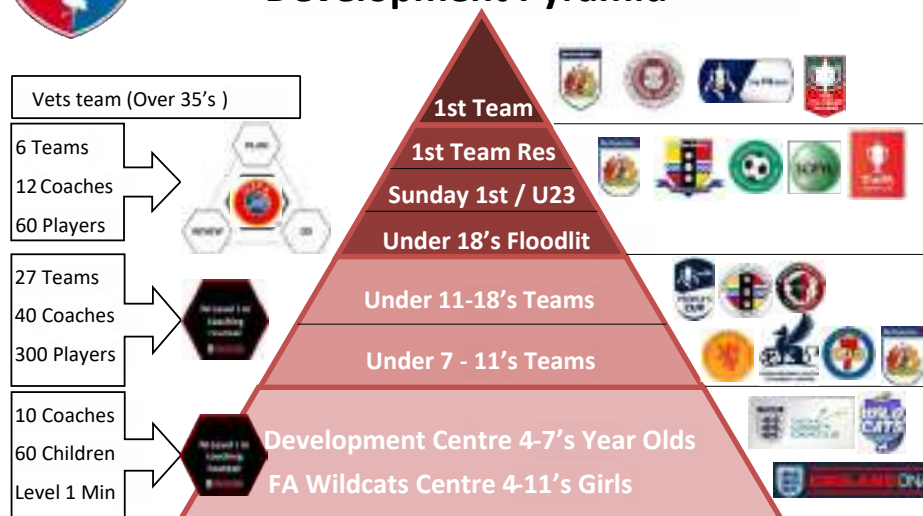

**Congratulations to our U16s on winning the Bedfordshire County Cup**

## U16s BEDFORDSHIRE COUNTY CUP WINNERS

***Congratulations Crawley Green U16s  
on winning Bedfordshire County Cup***

Thank you  for all your support

**TODAY'S GAME  
SATURDAY 01 APRIL 23  
SPARTAN SOUTH MIDLANDS LEAGUE  
PREMIER DIVISION  
CRAWLEY GREEN FC  
VERSUS  
STOTFOLD FC**

*Today we extend a very warm welcome to the players, officials and supporters of our visitors. We also welcome the match officials for the game and hope you all enjoy the match and have a safe journey home.*

**MIND YOUR LANGUAGE  
DELETE THAT  
EXPLETIVE!**

Our Club is fully supportive of the Leagues' Mind Your Language Initiative, to eradicate offensive behaviour within these grounds.

It is our wish for everybody to feel comfortable here and to encourage everyone, especially younger people to enjoy their time with us, this won't happen if they are listening to constant foul and offensive language.

Cheer your team, enjoy the day,  
but keep those swear words far away...  
...it could cost us money in fines!!!!

August 2016

**SAY NO TO RACISM**

## **Stotfold FC History**

*Stotfold is a small country town with a population in the region of 9,000. It is situated in the county of Bedfordshire but being near the North Herts border has strong links with the Hertfordshire towns of Baldock, Hitchin and Letchworth. The first recorded football in the town was 1904, however it is certain that the game was played for a number of years before that. In those early 1900s, Stotfold sides played in the Biggleswade and District League. This was followed by a spell of nearly 30 years in North Herts Football. The first record of a trophy being won was 1911 when Potton were beaten 1-0 in the Biggleswade and District Championship. Stotfold FC was officially founded after WW2 in 1946. In 1951 we joined the South Midlands League Division 2 and in 1953 were promoted to Division 1. Up until 1965 our home ground was located at Hitchin Road Recreation Ground. Football was very much at the centre of the community and locals in the village clubbed together sufficient funds to purchase a meadow named 'Roker', (previously used in 1911 by Stotfold Athletic), and developed the ground aptly named Roker Park which we occupied for 54 years.*

*The club remained in the South Midlands League for over 30 years winning promotion to the Premier League in 1955 and winning the championship in 1980 and finishing runners-up nine times. The club joined the United Counties League in 1984/85 season finishing runners-up twice in 1993/94 and 1995/96 under the guidance of ex-Arsenal player Ian Allinson. Phil Pateman took over from Ian stepping up after managing the reserves to League champions and Beds Intermediate success. During 1998-2001 under his charge the club won The Beds Senior and Premier Cups, UCL League Cup, and the Hinchingsbrooke Cup as well as being runners-up and finalists in two North Beds Charity Cups. The club also reached the last 32 of the FA Vase and the 3rd Qualifying Rd of the FA Cup. Phil stepped down to become Chairman in 2001 but after a brief spell under Kenny Davidson, Phil took temporary charge of the side again until the end of the season and guided the team from relegation candidates to 10<sup>th</sup> in the*

league, retaining the NBCC and were finalists in the Hunts Premier Cup. However, their most notable success came from being awarded national fair play team of the year by Ladbrokes in association with The Non-League paper as well as the UCL fair play award.

In 2001 after the club gained planning permission for a ground improvement, the Town Council asked us to consider giving up our long-term lease for a new stadium along Arlesey Road. We agreed subject to the facility being suitable for playing at Step 4 which would be a significant upgrade on our existing ground allowing us to play at a higher level. This was agreed but became more complex with the project integrating a whole community concept. As such costs spiralled at a time of recession and the project stalled as monies were transferred from it.

The early 2000s saw a high turnover of managers and players with Steve Cook, Jim Benton, Glen Clarke, Ian Willisroft and Mark Teeling all unable to turn the club around. After gaining just 11 points from 17 league games and some heavy defeats in season 2006/7, Mark was replaced in December by the return of Ian Allinson and Ian Donnelly. A partnership that turned out to be the most successful in Stotfold's history thus far. With the club staring relegation in the face, Ian recruited several senior players and the club hauled themselves out of the bottom two, winning 8 of the last 10 games. During the summer of 2007 the squad strengthened further, culminating in the most successful season in the club's history. Both first and second team squads won their respective league and county cup competitions, (the first club and to date only one to do so), with the second team under John Philbin remaining unbeaten in the league. The club was the only UCL club to reach the 3rd Qualifying Round of the FA Cup before losing to Tonbridge Angels. During the summer Ian was offered the Managers job at Ryman Premier League Borehamwood and he remains one of the best non-League managers of our time currently in charge at St Albans City.

However, he left a great legacy, and we promoted Ian Donnelly to the position with reserve manager Terry Kitchener stepping up to assist him. Success continued, winning the UCL League Cup and North Beds Charity Cup and finishing League Runners Up. The Reserves and the Under 18 Academy continued to sweep all before them under Gordon Bickerstaff's management and after Ian Donnelly stepped down with Terry at the end of the previous season, it was easy to promote from within again, with Gordon bringing his Assistant Cecil Lee with him. The Academy continued to go from strength to strength with the U15 and U18 Academy teams winning the Beds County Cup. The U18s also won the County Floodlit Cup and the Ridgeon's League West title under Manager Ryan Brooke. In what turned out to be the club's final season in the UCL, 2009/10 saw the first team produce a very creditable performance reaching the 4th round of the FA Vase and finishing 7th in the league.

The 2010s saw the club move back to the Spartan South Midlands League in 2010/11. In season 2012-13 Gordon stood down and Steve Young was appointed as Manager supported by Roy Ryall but the club were left stunned when Coach Tony Lamacraft collapsed after an abandoned first team friendly caused by the double leg fracture of one of the Stotfold players. Despite the valiant efforts of club officials and paramedics including an air ambulance crew Tony passed away. Over 500 attended his funeral and Tony has been sadly missed not just by Stotfold but the whole of the local football community. Gary Hoy took over the Reserves whilst continuing to run our Under 17 and 18 Academy teams. After another poor start the first team secured a respectable mid-table position whilst the Reserves, made up almost entirely of Academy players, won the Biggleswade KO Cup. Our Under 18s reached the first round of the FA Youth club for the very first time despite playing mostly 16-year-old players before going out to Leyton Orient. The U17s finished 2nd and U18s first in their respective leagues. Steve promoted from within the club, Michael Parkin and Matt Endersby stepping up and the with ex Colchester pro Rob Bates as Academy Manager. The under 18 side finished second in the Southern Counties Olympian Division and won the Colwyn Cup Final beating

league winners Cockfosters. In 2013 the Academy again flourished, reaching the 3rd QR of the FA Youth Cup before losing to full-time Academy side Cambridge United on penalties. They also reached 2 semi-finals and finished 3rd in the league. The first team turned their season around from being 3rd from bottom of the SSML Premier Division with just 18 points at Xmas, to three cup finals and a semi-final place in another. They also moved away from the foot of the table with a further 29 points in the second half of the season. The mid 2010s presented a challenge and following Steve's resignation in January 2015, Rob Bates stepped up and he managed to mould a team to stave off relegation from the Premier League and finish a creditable 16th. Seasons 2015/18 continued the slide into decline both on and off the pitch. 2015/16 saw a re-formed reserves as an U25 side winning the Biggleswade KO cup. The first team won the NBCC defeating Biggleswade United 2-0 in the final in what turned out to be the last game under Rob Bates and his management team who resigned shortly after. The turnaround of managers was matching that of the players as Mick Reardon kicked it off lasting less than 2 months, suffering a humiliating club record a FA Cup 12-1 loss to Berkhamsted. Michael Parkin stepped in but despite an amazing run of wins at the end of the season we finished bottom on goal difference. Michael unfortunately resigned down to work commitments. Back on the Manager merry-go-round we were given a lift when the FA reprieved us, but we weren't so lucky in 2018/19 when we finished 3<sup>rd</sup> from bottom and went down on goal difference on the last day of the season. Julian Robinson, Gary Burkett (Temp), Mark Nervais, and finally Marce Collington all having a hand in managing in excess of 100 players. The only saving grace for the season being runners up in the U25 Development Cup losing out 1-0 to Ampthill Town. The U25s themselves having numerous managers/assistants by Christmas before Brad Gillham supported by Phil Pateman steered them to calmer waters.

Revised plans were drawn up when an offer to build 60 properties on Roker Park was accepted in return for a stadium being built for us. The club needed a reboot and the new stadium rising before our eyes gave us the opportunity to do just that. The club completely restructured with a merger of

*Senior & Junior clubs with an ongoing program of inclusive football for a Charter Standard Club comprising of more than 60 teams and 700 participants.*

*So, to the 2020s success off the field being as important as on it but the first Team are the standard bearer. In this regard we were delighted that our former player Luke Gregson could see our vision for the future and agreed to be our manager after a wonderful spell at Baldock where he took them from the SSML Div. 1 to 4<sup>th</sup> in the Premier League in just 3 seasons. He bought with him Jim Sterling and rebuilt the side. After a slow start the Eagles went on a fantastic run of form winning 14 consecutive league games and seemingly nailed on for promotion before Covid-19 null and voided the season. However not before we won the Beds Senior Trophy beating Stevington 2-0 in the final. Despite, the disappointment 2020 marked a landmark for the club when we moved to our New Roker Park JSJ Stadium. The £2M Step 4 facility opened its doors on Feb 8<sup>th</sup> with a home game against Shefford & Campton, and a crowd of 644 witnessed a super game with the Eagles winning 5-3. The stadium is a credit to all but in truth it would not have been possible without substantial financial support from both clubs and generous donations from long standing members of the Seniors. This enabled us to completely furnish the clubhouse, provide external toilets and Irrigation System not catered for in the build. Leaving a legacy for future generations. Unfortunately, season 2020/21 was curtailed again by Covid in December with us finishing in 7<sup>th</sup> position and the FA Restructure saw us lose out on promotion by 0.01 of a point. Luke also decided to step down due to work and family commitments. After 20 years as club chairman Phil Pateman stepped down at the end of season 2020/21 with his vice-chairman of some 4 years Rob Parkin agreeing to take on the role of chairman. We started the new 2021/22 season full of optimism having been re-structured off the field and in the re-structured Division 1 under former players Brett and Paul Donnelly. Brett enjoyed a playing career with several local sides and notably National League step 3 sides Biggleswade Town and Hitchin Town becoming assistant manager at both clubs. Paul a member of the 2008 Championship team, is a familiar and popular face at Stotfold. He managed our*

*development side and worked for several seasons with our Juniors before taking a coaching role at Letchworth GC Eagles. Joining Brett's management team is UEFA B licence and FA Coach mentor Eddie McLoughlin. Eddie left his Asst managers post at Hendon after successful coaching spells with Hertford and Biggleswade Town. The management team are completed by Michael Parkin (Goalkeeping coach), Ryan Jefferies (Physio) and Roy Ryall with Jon Little, Sean Lyness and Darren Clarke looking after the Development/U18 sides. The season saw unprecedented success with the first team winning Division 1 and promotion back to the South Midlands Premier Division, the Development team winning Division 1 of the Beds County Football League and promotion to Premier Division and the U18s winning the Nemean Division of the Southern Counties Southern Floodlit League. We start season 2022/23 with the same management teams for the first and development teams. The club will have their first ever Woman's team this season under the management of Tom Olney and Becca Lightfoot and they will be playing in the Beds and Herts Woman's Football League. Jon is standing down from Youth football and we have a new U18 management team of Stuart Lopez and Scott Cretton. They will play in the midweek SCFYL and on Saturdays in the Junior Premier League.*
