

The background of the slide features a decorative arrangement of black and white spheres mounted on thin black sticks. The spheres are positioned at various heights and angles, creating a dynamic, abstract composition. The lighting is soft, casting gentle shadows on the white background.

Slough Hockey Club

Bar Arrangements Review and Refresh 2015

Business Review and Concept

The Club seeks a fresh partnership agreement to deliver a service that meets the club's and club member's needs.

Key components of the agreement will be:-

- An innovative approach
- A highly professional service delivery
- A financially stable and secure partner

The Process

It is the Club's clear intent that the process to select a partner for the Bar business is open and as transparent as possible. The current incumbent has been advised that, subject to specific financial conditions, he is welcome and expected to participate.

The following is roughly the process we will follow:

- Pre-qualifying questions (PQQ) to all interested parties
- The Club will "Qualify-In" serious candidates based on PQQ responses
- A formal tender process will follow for "qualified-in" candidates
- Choice of partner, detailed negotiation and contracted agreement will follow

When and Who plus Questions

When: The process will start with PQOs being released during w/e 17th July 2015. The complete process is expected to take until at least end September 2015.

Who: The Club is keen to ensure anyone who may be interested is made aware. **Club members are asked to pass on this communication to anyone they feel is capable and interested in this opportunity.** This may be friends and acquaintances outside the club. Please pass on the PQO to anyone interested and also their details on email to us via sloughhc@live.co.uk

Questions: We would ask that any questions are directed to sloughhc@live.co.uk so we can answer them as openly as possible and without favour to any party.

Do please note that Club officials are subject to non-disclosure and may not engage in off-line discussions on this matter. This is to ensure integrity and confidentiality in commercial negotiations as well as maintaining a fair and just process for all involved.
