

Fire and Evacuation / Standalone / Anka

3XANKA-762SI

ANKA

Features

- ANKA
- Smoke detection indicator light
- Kit of 3 stand-alone interconnected photoelectric smoke detectors
- Test button
- Alarm 85 dB to 3m
- Power supply 1 battery CR123A 3.0 V
- Wireless communication 433MHz
- Battery life 10 years
- Allows multiple devices to be connected to sound at the same time
- Certified EN 14604:2005

Specifications

Brand	ANKA
Units	3
Detector type	Photoelectric
Wireless communication	433MHz GFSK
No. of connected devices	Up to 20 in the same network
Certification	EN 14604:2005
Coverage area	20~40m ²
Standby current	?10 uA
Current in alarm	?60 mA
Sound power	?85dB to 3m
Battery duration	10 years
Battery	1x 3.0 VDC
Operating temperature	-10~50°C
Operating Humidity	?95% RH
Dimensions	11 (Ø) x 4.2 (H) cm
