

UV-OEU-202S-HMK4

Uniview

Features

- Uniview
- IP video intercom with 2 MP camera for 4 apartments
- Wide angle lens
- Built-in speaker and microphone
- IR night vision
- Conexión TCP/IP y RS485 - PoE IEEE802.3af
- MF Card Reader
- Remote monitoring via UNV-Link mobile app or indoor monitor
- Remote door opening
- Call status LED
- Surface mounting
- Retro-illuminated name tag
- Suitable for exterior IP65
- Anti-vandal IK08

Specifications

Brand	Uniview
Model	OEU-202S-HMK4
Operating system	Linux
Image sensor	2 Mpx CMOS wide-angle IR
Image Functions	BLC / WDR / DNR
Viewing angle	H: 107°, V: 57°, D: 128°
Audio	Bidirectional audio with microphone and speaker
Access control	Door opening with MF card 13.56 MHz Up to 2.000 users and 10.000 cards
Keypad	4 x mechanical call button with LED customization tag
Outputs	2 x relay for lock (2 x DC 12 V / 500 mA max.), 1 x RS485
Inputs	4 x auxiliary inputs (output button, feedback, door sensor), 1x Wiegand, 1 x tamper
Remote access	Web browser UNV-Link mobile application
Network interface	Ethernet 10/100 BaseT
Power	DC 12 V / 1000 mA máx. / IEEE802.3af PoE
Degree of protection	Suitable for exterior IP65 Anti-vandal IK08
Material	Aluminium alloy
Temp. operation	-40 °C ~ +60 °C
Dimensions	176 (H) x 96 (W) x 33 (D) mm
Weight	675 g
