To the holders of Ordinary Shares

Notice of Annual General Meeting

Dear Shareholders

I am pleased to be writing to you with details of our Annual General Meeting ('AGM') which we are holding at Stephenson Harwood LLP, 1 Finsbury Circus, London, EC2M 7SH on Tuesday 10 January 2017 at 2 p.m. The formal Notice of AGM is set out on pages 4 to 5 of this document.

If you would like to vote on the resolutions to be proposed at the AGM (the '**Resolutions**') but cannot come to the AGM, please fill in the proxy form sent to you with this document and return it in accordance with the instructions given on it to our registrars as soon as possible. They must receive it by 2 p.m. on Friday 6 January 2017. This letter is intended to help you understand the effect and purpose of the Resolutions.

Resolution 1: Reports and Accounts

The directors of the Company (the '**Directors**') are required to present to shareholders at the AGM the financial statements for the year ended 31 August 2016, together with the reports of the Directors (including the strategic report) and auditors thereon (the '**Annual Report**').

Resolution 2: Declaration of the final dividend

The Directors are recommending, and the shareholders are being asked to approve, the declaration of a final dividend of 1.3 pence per ordinary share for the year ended 31 August 2016. The final dividend will, subject to shareholder approval, be paid on 18 January 2017 to the holders of ordinary shares whose names are recorded on the register of members of the Company at the close of business on 2 December 2016.

Resolution 3: Re-election of Directors

The biographical details of the Directors are set out on pages 26 and 27 of the Annual Report.

The Company's articles of association contain provisions for the retirement of Directors by rotation. In accordance with the articles, Philip Dudderidge is proposed for re-election at the AGM. The Board recommends to shareholders the re-election of Mr Dudderidge. The Board confirms that in making this recommendation, the Nomination Committee has given careful consideration to the Board's balanced skills, knowledge and experience and is satisfied that the Director putting himself up for election will be able to perform effectively and demonstrate commitment to the role.

Resolution 4: The auditors

Company law requires the Company, at each general meeting at which accounts are laid, to appoint auditors to serve for the following financial year. Resolution 4 proposes to reappoint KPMG LLP as auditors of the Company and authorises the Directors to agree to the auditors' remuneration.

Resolution 5: Authority to allot shares pursuant to Section 551 of the Companies Act 2006 (the 'Act')

The Directors may only allot shares and grant rights to subscribe for, or convert any security into, shares if authorised to do so by shareholders. Resolution 5 will be proposed as an ordinary resolution to grant new authorities to allot shares and grant rights to subscribe for, or convert any security into, shares up to an aggregate nominal amount of £19,358 (representing approximately 33.3% of the nominal value of the issued ordinary share capital of the Company as at 28 November 2016).

Resolutions 6 and 7: Authority to allot equity securities pursuant to Section 570 of the Act

The Directors also require authority from shareholders to allot equity securities for cash otherwise than to existing shareholders pro rata to their holdings. Resolutions 6 and 7 will be proposed as special resolutions to grant such authority.

Resolution 6 renews the Directors' power to allot equity securities in exchange for cash without first offering them to existing shareholders. Apart from rights issues or any other pre-emptive offer concerning equity securities, the authority contained in this resolution will be limited to the issue of shares for cash up to an aggregate nominal value of £2,903.75. This number represents approximately 5% of the Company's issued share capital as at 28 November 2016, being the last practicable date prior to publication of this Notice.

Resolution 6 also seeks a disapplication of pre-emption rights on a rights issue, so as to allow the Directors to make appropriate arrangements in relation to fractional entitlements or other legal or practical problems which might arise.

On 12 March 2015, the Pre-Emption Group (PEG) issued a revised Statement of Principles (2015 Statement of Principles). This stated that, in addition to previous standard annual disapplication of pre-emption rights up to a maximum equal to 5% of issued ordinary share capital, the PEG was also supportive of extending the general disapplication authority by an additional 5% for certain purposes.

On 5 May 2016, the PEG published a monitoring report on the implementation of its 2015 Statement of Principles for disapplying pre-emption rights and a recommended template resolution for disapplying pre-emption rights. The template recommends companies request authority to disapply pre-emption rights in respect of the additional 5% to be used when the board considers the use to be for an acquisition or specified capital investment in accordance with the 2015 Statement of Principles as a separate resolution to the disapplication to issue share on an unrestricted basis.

Resolution 7 seeks this separate and additional authority. The Directors confirm, in accordance with the 2015 Statement of Principles, that they will only allot shares representing more than 5% of the issued ordinary share capital of the Company for cash pursuant to the authority referred to in Resolution 7, where the allotment is in connection with an acquisition or specified capital investment, which is announced contemporaneously with the allotment. Where the authority granted under Resolution 7 is used, the circumstances that have led to its use and the consultation process undertaken will be disclosed by the Company in its next Annual Report.

The Board also intends to adhere to the provisions in the PEG's 2015 Statement of Principles and will not (except in relation to an issue pursuant to Resolution 7 in respect of the additional 5% referred to above) allot shares for cash on a non pre-emptive basis pursuant to the authority in Resolution 6 in excess of an amount equal to 7.5% of the total issued ordinary share capital of the Company excluding treasury shares within a rolling three-year period, without prior consultation with the Company's shareholders.

The Directors have no present intention of issuing new shares other than pursuant to employee share plans, but the Directors consider that the authority sought is appropriate as it provides the Company with the necessary flexibility to take advantage of business opportunities as they arise.

If given, the powers in Resolutions 5, 6 and 7 will expire after 15 months or at the conclusion of the annual general meeting to be held in 2018, whichever is the earlier. As at the date of this notice the Company holds no treasury shares.

Recommendation

The Directors consider the Resolutions to be in the best interests of the Company and its shareholders. Accordingly, the Directors unanimously recommend shareholders to vote in favour of all the Resolutions.

Yours sincerely

Phil Dudderidge
Chairman
