## GROUND MAINTENANCE

Please note

Here's everything you'll be asked relating to maintenance carried out and the money spent on maintenance. This only needs to be completed once as it refers to all the pitches that you maintain for this site.

The best and easiest way to complete this is through the PitchPower app on your mobile. If there's a specific reason why you can't do this, here's a document that can be printed. You'll still need to input this info into the PitchPower app in order to submit your inspection(s).
