Each dormitory features 1 bathroom, 1-2 windows, and 1-2 air conditioning units (depending on room size). There are vending machines, free washer/dryer units, common gathering areas, and a recreation room with a pool table, ping pong table, and exercise equipment. Males and females cannot share the same room. Requests for roommates are accepted but not guaranteed.

 Without roommate - \$2.00 less hourly rate per working hour.
 With 1 roommate - \$1.75 less hourly rate per working hour.
 With 2 or more roommates - \$1.50 less hourly rate per working hour.

Each participant will likely have 1-2 roommates; there are up to 5 roommates in the extra-large rooms. There is a \$15.00/month charge for cable that is split amongst roommates. However, Skytop does not guarantee TVs in each room. Rooms do not have WiFi, but it can be purchased and setup through the local cable company, or possibly shared with your neighbors. Transportation Information

Fly to New York City; go to the Port Authority Bus Terminal, then take a bus to Martz Bus Station in Mount Pocono, Pennsylvania (buy ticket before US arrival). A Skytop shuttle will then take you to the dormitories. Skytop offers shuttles to the local Walmart twice weekly. Although the bus station, with routes to major cities, is just 20 minutes from the lodge, Skytop is remote with minimal public transportation. Taxis and Uber/Lyft rides can be costly. It is recommended you get an international license prior to arrival and rent cars for travel (must be 21 years old to rent in Pennsylvania).
