Stationery Mock-up

Editing smart object

1. Right click on the Smart Object Layer you want to edit > Edit Contents.
2. When new .psd file opens, paste your design.
3. After you are finished Save and close .psd window.
4. Those changes will be reflected upon returning to your main psd file.

Changing the background

1. Click the eye icon next to the "Changeable Background" Group on the Layers panel to show its content.
2. Select the "Your Background Here" Smart Object Layer from the Layers panel.
3. Edit the Smart Object (see "Editing a Smart Object").

Tips

1. Experiment with levels once you are done with the smart object editing to achieve the desired brightness and contrast.
2. Plays with Blend Mode, Colors and Saturation to achieve best effect.
3. You can crop the image to achieve different looks.
