

OFFICIAL HOSPITALITY AT SILVERSTONE

BRITISH GRAND PRIX

6-8 JULY 2018

The British Grand Prix is one of the jewels in the crown of the British sporting summer and regularly offers up one of the most exciting races on the calendar. Will Lewis Hamilton be able to secure victory on home-turf as he did in 2017 or will a rival (or the British weather) throw a spanner in the works?

AOK Cavendish are the largest broker of official hospitality in the UK - we deliberately don't own any of our own facilities meaning we will offer you the facility that meets your requirements rather than the one that we are financially committed to.

We pride ourselves on catering to every budget, however big or small. We ensure that you get the product at the official retail price - 100% guaranteed.

A detailed photograph of a white table set for a formal event. In the foreground, a silver fork and knife are placed on a bright red rectangular napkin. To the right of the cutlery lies a dark blue program or brochure with a colorful abstract design and the text 'F1 Formula 1' and 'BRITISH GRAND PRIX'. Several clear glass tumblers and wine glasses are scattered across the table. In the background, more of the same items are visible, along with small blue boxes labeled 'THE RADIO'. The background is a light grey geometric pattern.
