

## FORTRESS ARCHITECTURE AND STRUCTURES

MEASURE	COORDINATOR	PARTIES	OBJECTIVES										INDICATORS 2013–2015
			World Heritage Site and its values preserved	High quality of maintenance ensured	Authenticity and historical layers preserved	Principles of preservation, restoration and sustainable development applied to restoration work	Use of the buildings promotes the preservation of the fortress	Adequate expertise in restoration ensured	Stakeholders aware of the requirements of the World Heritage Convention	Sustainable development *			
Update protection classification on the basis of World Heritage values (Outstanding Universal Value, OUV).	NBA*	GBres, GBwhu, CPD	x		x	x	x						Implemented during 2013 or not
Explore whether the protection mechanism to be applied should be the Act on the Protection of Buildings or a specially enacted Act	MEnv	NBA	x		x	x	x				x		Implemented 2014 or not
Amend the draft detailed plan to comply with the protection report.	CPD	GBres, NBA	x		x		x				x		Implemented 2014 or not
Update the condition survey for the fortification walls.	GBres		x		x								Implemented 2014 or not
Prepare an energy efficiency plan for the Governing Body's own premises and ensure that it is implemented.	GBubg, GBres, GBmai			x		x						x	Implemented during 2013 or not
Update the environmental plan for the Governing Body's own buildings.	GBubg			x		x						x	Implemented during 2014 or not
Update the environmental plan for buildings held by other parties.	GBubg	SEN, Parish, City, Priv		x		x						x	Implemented during 2015 or not
Implement the training programme specified in the HR strategy.	GBres, GBa&I			x		x		x	x				Self-assessment
Update the general plan for the depot area.	GBres	Prison, GBmai			x	x	x						Implemented 2014 or not
Prepare a project plan for the new buildings on Länsi-Mustasaari.	GBres						x						Implemented 2014 or not
Implement the remaining measures in the surface water plan and update the plan as required.	GBres	Prison, CPWD		x		x							Implemented or not
Ensure that the annual repair programme runs smoothly.	GBres, GBmai	Prison	x	x		x						x	Self-assessment
Promote accessibility.	GBres						x						Implemented or not
Participate in World Heritage Site networks such as the NFF and ATFORT.	GBres	GBwhu, NBA	x			x	x	x				x	Best practices applied or not

\* Negotiations ongoing.

### Notes:

\* Sustainable development is a goal that subsumes the following: operations of all parties on Suomenlinna comply with sustainable development; preparations for adapting to climate change made; greenhouse gas emissions reduced; consumption of heating and electrical energy reduced; Suomenlinna profiled as a sustainable tourism destination; environmental awareness increased.
