

HAVE YOU GOT ONE OF OUR STICKY SOY & GINGER BEEF POTS FOR ONE?

Batch: **000008** (BB:14/09/19)

This batch contains **Egg** and **Wheat Gluten**, which are not declared on the label, due to the mistaken use of egg noodles instead of rice noodles.

This could be harmful to anyone with an **Egg** or **Gluten** allergy.

If you have one in your freezer and have any concerns, please feel free to return it for a full refund. We're very sorry for the mistake and for any inconvenience caused.
