Risk:

Wheat (gluten), Milk, Eggs, Nuts, Soya

The products listed contain wheat (gluten), milk, eggs, nuts and soya making them a possible health risk for anyone with an allergy or intolerance to:

- wheat or gluten and/or
- an allergy or intolerance to milk or milk constituents and/or
- an allergy or intolerance to eggs and/or
- an allergy to nuts and/or
- an allergy to soya.

The product list provides details of the undeclared allergen(s) in each affected product.

Our advice to consumers:

If you have bought any of the above products and have an allergy or intolerance to the following then do not eat them:

- wheat or gluten and/or
- an allergy or intolerance to milk or milk constituents and/or
- an allergy or intolerance to eggs and/or
- an allergy to nuts and/or
- an allergy to soya.

Instead return the product(s) to the store from where they were bought for a full refund.

Action taken by the company:

Ultralife is recalling the above products from customers and has been advised to contact the relevant allergy support organisations, which will tell their members about the recall. Point of sale notices will be displayed on all websites and in all stores that are selling these products. These notices explain to customers why the products are being recalled and tell them what to do if they have bought the product.
