## ALLERGEN ISSUE - EGG

**Mary Berry's Salad Dressing 235 ml**

The supplier of Mary Berry's Salad Dressing 235 ml has identified that another product with egg as an ingredient has been filled & labelled as the above product that does not declare the presence of Egg. This makes the product unsuitable for people with a sensitivity to egg.

As a precautionary measure the product is being recalled.

**Recalled Date: Best Before: June 2019**  
**Batch Code: 7361**

### **What you should do:**

Do not consume the affected code of this product if you have a sensitivity to eggs.

Please contact **01494 895507** to arrange a replacement sample to be sent out.

Alternatively, you can return the affected product to your local store where the product was purchased from where a full refund will be provided.
