Reason for Recall

The product contains **peanuts**, a major allergen, which is not mentioned on the product label. This makes the product a potential health risk for anyone with a peanut allergy.

Risk Statement

This product is a potential risk to the health of anyone with a **peanut allergy**. If you have a peanut allergy, do not consume this product.

Action Taken by the Company

GO Superfoods Ltd has informed the FSA and is recalling the affected product. The company has issued a point-of-sale notice to all retailers that sell the product. These notices explain to customers why the product is being recalled and tell them what to do if they have bought the product.

Advice to Consumers

If you have purchased the above product and have a peanut allergy, please do not eat it. Instead, destroy the product for a full refund. For more information, please contact:
