## Tony's Kitchen recalls various products due to allergen issues

Tony's Kitchen is recalling eight seasoning products because they contain various allergens that are not mentioned on the label or have not been emphasised correctly. This means the products are a possible health risk for anyone with an allergy to crustaceans, molluscs, celery, fish, nuts, peanuts, mustard, sesame and soya, or an allergy or intolerance to barley (gluten), wheat (gluten), egg, milk or milk constituents or a sensitivity to sulphur dioxide and/or sulphites.
