IMPORTANT SAFETY NOTICE

AG Barr is initiating a precautionary recall of specific batches of Rubicon Yuzu & Pink Grapefruit Still 1L (Tetra Carton) due to the potential presence of undeclared sulphites, making it a possible health risk for anyone with an allergy or sensitivity to sulphur dioxide or sulphites.

The recall affects only the specific products listed below. You'll find the batch code stamped on top of the carton next to the cap.

The batches affected are:

Image	Batch Code	BBE (Best Before Date)
	6160	JUN 2027
	6198	JUL 2027
	6219	AUG 2027
	6257	SEP 2027

No other Rubicon or AG Barr products are affected.

If you have purchased an affected product, please do not consume it. Instead, return it to where you bought it for a full refund.

If you have any questions, please email consumercare@agbarr.co.uk
