

HAVE YOU GOT A...

GREEN THAI CHICKEN CURRY

Batches: **000255** (BB:22/03/20) **000241** (BB:17/03/2020)

000242 (BB:22/03/2020)

We have found there could be some small traces of milk protein in three batches of Green Thai Chicken Curry, **so they are not suitable if you have an intolerance or allergy to dairy.**

The risk is very low indeed (and it still tastes as good as ever), but as a precaution we have decided to recall these batches.

If you have any concerns or you would like a full refund, please call us on 01732 759010.

Very many apologies.
