

**Point of Sale Recall Notice**

**Date of Issue:** 19/06/2026

**Product Name:** French Brie

**Product Brand Name:** Traditional Cheese Company

**Product Size:** 160g

**Product Barcode:** 5099318001392

**Use by Date (s):**17/07/2026

**Reason for Recall**

Possible presence of *Listeria Monocytogenes*.

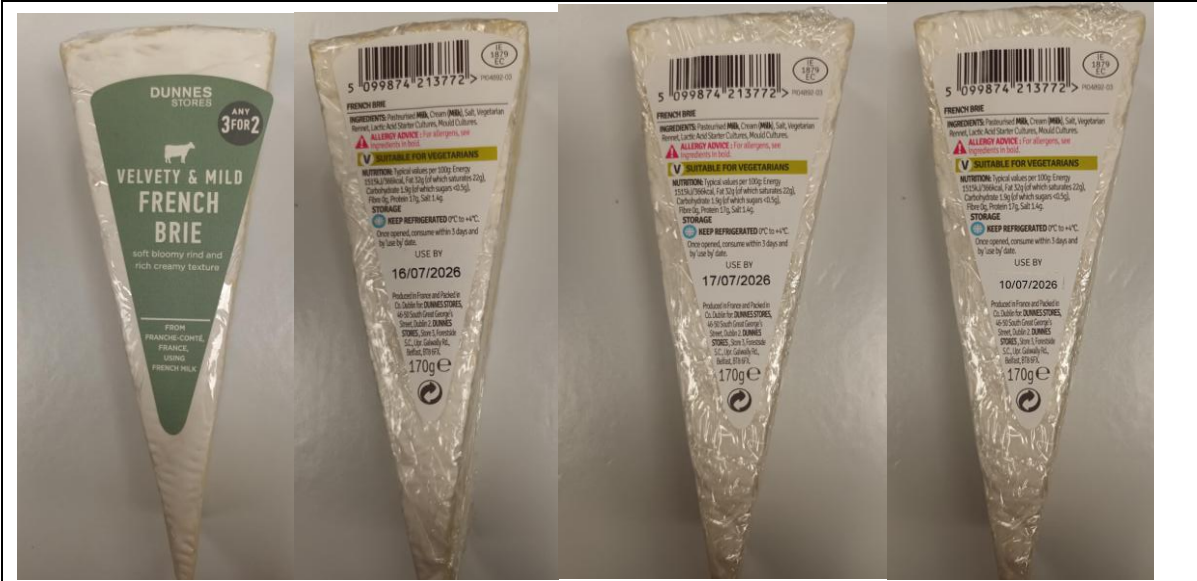

**Nature of Danger**

Symptoms of *Listeria monocytogenes* infection can include mild flu-like symptoms, or gastrointestinal symptoms such as nausea, vomiting and diarrhoea. In rare cases, the infection can be more severe, causing serious complications. Some people are more vulnerable to *Listeria monocytogenes* infections, including pregnant women, babies, and people with weakened immune systems, including the elderly. The incubation period (time between initial infection and first symptoms appearing) is on average 3 weeks but can range between 3 and 70 days.

**Action Required**

Consumers are advised not to eat the implicated batch. Immediately dispose of the implicated batch.
