

Food Recall Alert

Clostridium botulinum Alert

Primula Cheese tubes, 100g and 150g.

We have found a potential source of Clostridium botulinum in one of our products. We are therefore recalling all Primula Cheese tubes, both 100g and 150g.

We are recalling all of our products because of concerns that this may have affected other products in our range.

Primula Cheese (Original, Light, Prawn, Ham, Chives, Paprika, Jalapeno)

Pack sizes, batch codes and best before dates affected:

Pack Size: 100g and 150g

All Batch Codes / Best Before Dates

What should you do?

If you have bought any Primula Cheese tubes as detailed above, **do not** eat them.

Instead:

- Return the product to store for a full refund (with or without a receipt)
