Product Recall notice – 10 x 200ml Multipack Orange (Republic of Ireland/ Northern Ireland only)

Dear consumers,
Capri Sun UK Limited is recalling specific batches of 10pk Orange from the Irish market.

Affected Product: 10pk Orange

Affected Batch Numbers: L104, L105 and L106 with Best Before Date (BBD): Apr 2027.

Reason for recall: Due to a packaging error, some Capri-Sun Orange multipacks contain pouches incorrectly labelled as Capri-Sun Orange Zero. The pouches contain regular Capri-Sun Orange, as correctly stated on the outer packaging. The incorrect pouch labelling may mislead consumers who need to monitor their sugar intake, including individuals with diabetes.
No other batches of other Capri-Sun products are impacted by this recall.

What Should Consumers Do?

If you have purchased a 10pk Capri-Sun Orange with one of the above batch numbers and a Best Before Date of April 2027, do not consume the product if you are a consumer who is dependent on sugar content (including those with Type 2 diabetes).

If you've bought an affected product, please return the product to the retailer where it was purchased for a full refund. No receipt is required.

We sincerely apologize for any inconvenience caused and thank consumers for their cooperation.

Yours faithfully
Capri Sun UK Limited
