

Notification of Product Recall

At Grahams Family Dairy we believe that the quality of our products and the safety of our consumers is paramount.

Due to this we are asking our customers not to consume but to return the following products: -

- Grahams Family Dairy 1 Pint Semi Skim Use By 31st July
- Grahams Family Dairy 1lt Semi Skim Use By 31st July
- Grahams Family Dairy 2lt Semi Skim Use By 31st July

This is a precautionary measure we have taken as there is a small risk a trace level of antibiotics may be present in the milk which could cause a reaction to consumers with an allergy to antibiotics.

If you have purchased any of these products, please do not consume. Instead, please return the milk to the store purchased from for refund.

We apologise for this issue and would like to reassure our customers no other Grahams Family Dairies products or Use By Dates are affected.

If you have any queries or require further information on this notice, we can be contacted via our website at www.grahamsfamilydairy.com
