Legau, 31.07.2026

Dear customer,

During a follow-up inspection, the presence of *E. coli* bacteria of the STEC/EHEC type was detected in **Rapunzel bioSnacky Red Clover**.

We are therefore recalling the product "Rapunzel bioSnacky Red Clover (*Trifolium pratense*) – Seeds for Sprouts and Seedlings", 30 g batch 11293, best before date 12/2028 from the market.

If you have any bioSnacky Red Clover with the above-mentioned batch number at home, please return it to your local specialist shop or dispose of it. Any sprouts grown from it should also be disposed of. You will of course be refunded with the the purchase price!

Other bioSnacky products are not affected by this recall!

We are very sorry for this incident and sincerely apologise.

Please be assured that we are doing everything we possibly can to resolve this matter. We hope that you will continue to place your trust in us.

Best regards
