To:
Whom it may concern,

It has been brought to our attention that there have been a few isolated cases in which we have identified a packaging fault which could potentially lead to natural spoilage. We are currently investigating this matter thoroughly.

As we take product safety and quality as the number one priority, we have decided as a precautionary measure to recall the following batches of product: Broccoli, Parsnip & Lentils with Onion, Tomato, Quinoa, Fennel, Rapeseed Oil & Herbs (Batches: BBD 02.06.2019-1, BBD 02.06.2019-2, BBD 02.06.2019-3)

There have been no reported illnesses or reactions related to consumption of this product.

If you have one of these pouches at home please contact our customer care department (phone: 02076520576, email: customerservice@babease.co) and we will organise a full refund and replacement or return the item to the store that you brought it from, for a full refund.

We want to assure parents that no other products have been affected and the items potentially affected have been isolated and removed.

At Babease our mission is to provide safe, healthy, and tasty baby food products. Safety and quality is at the heart of everything we do.

If you have any other queries, please do not hesitate to get in touch with our customer care team.
