What has happened?

As a precautionary measure Arla is recalling the above products due to the possible presence of glass. Only the Best Before dates listed are impacted by this issue.

What should you do?

Consumers should not consume the affected products and should dispose of them or return them to the place of purchase for a full refund. The best-before date can be found in the white box on the top of the packaging.

Arla apologises to any consumers affected and understands the concern this may have caused.
