

FOOD RECALL ALERT

One batch of Aptamil Multigrain Banana and Berry cereal 7+ months (200g)

We are recalling one batch of Aptamil Multigrain Banana and Berry cereal 7+ months (200g) because some packs have been found to contain small pieces of the blue plastic material used to make the packaging. The blue plastic is clearly visible in contrast to the cereal. If you have fed your baby from one of the packs without noticing any pieces, it is very likely that your pack was not affected. No other batches of this product or any other Aptamil products are affected.

Aptamil Multigrain Banana and Berry cereal 7+ months 200g packets
Best before date: 07.07.21 - the best before date is found on the back of the pack under the bar code.

What you should do if you have bought this product

- Check if your packet has the best before date of 07.07.21. If so please do not feed it to your baby
- Instead, return the product to the store, with or without a receipt, for a full refund

If you have any questions

We are sorry that this product does not meet our usual high quality standards and for any inconvenience this recall may cause.
