

Happy Hounds Wales Ltd is taking precautionary measures in recalling three types of frozen raw dog food products; these products were collected at the same time as our unreleased tripe product containing salmonella. This was detected as part of an ongoing testing program. The batch number can be found on the white and blue label on the sleeve of the product. Customers who bought the affected products through our delivery service will be contacted. No other batch numbers are affected by this product recall.

Beef Kidney 1kg Batch 962

Lamb and Beef 1kg sleeve Batch 962-966

chicken and beef 1kg sleeve Batch 1344-962

diced heart 1.5kg batch 962
