PRODUCT RECALL

**AERO Hot Choc jars
(288g)**

**AERO 'Hot Choc' sachets
(24g)**

**AERO GO Instant 'Hot Choc'
Cups (28g)**

Nestlé UK & Ireland is voluntarily recalling the above AERO Hot Chocolate products including all batch codes and dates. This action is being taken as it has come to our attention that a very small number of packs may contain small (2mm – 3mm) food-grade silica beads. The beads are non-toxic but could present a minimal choking risk.

Nestlé sets very high standards for the quality of its products and any packs affected by this issue clearly fall short of those standards. This relates only to AERO Hot Chocolate and does not affect any other AERO products.

Any consumers who have purchased any of the three products listed above are advised not to consume them, to dispose of the contents and send the lid of the jar, the empty sachet or the sleeve of the cups (cardboard or plastic 8-sleeve) with your name and address for a full refund to:

**AERO HOT CHOCOLATE RECALL
PO BOX 205
FREEPOST 1374
YORK
YO91 1XB**

Consumers with any concerns can call us free on 00800 63785385 (9am – 5pm Monday – Friday)

No other Nestlé or AERO products are affected by this action.

The quality of our products is a non-negotiable priority for the company. We sincerely apologise for the inconvenience caused by this recall.

Nestlé UK Limited
