BACK TO SCHOOL FOR GBGB VETS ANNUAL TRACK VET TRAINING DAY HELD AT NOTTINGHAM

On Thursday 3rd November, Veterinary professionals from the greyhound industry headed to Nottingham for the GBGB's annual Track Vets Training Day.

Track vets from across GBGB's tracks attended the event, which is an opportunity to discuss latest research and best practice and hear updates from industry experts on all aspects of greyhound care, welfare and safety.

After presentations from Simon Gower (GBGB Veterinary Director), Paul Illingworth (Senior Stipendiary Steward) and Polly Smith (track vet and Greyhound Ambassador), there were informative sessions by academics from the University of Nottingham on their research into Osteosarcoma in greyhounds, gracilis and hard tissue injury patterns.

This was followed by a seminar from Dr Richard Payne, Assistant Professor of Veterinary Anatomy at the University of Nottingham, during which he spoke about his latest work examining the impact of heat and exercise. He also gave an update on disease surveillance.

Dr Richard Payne presents at the GBGB Track Vets Training Day.

Commenting on the day, Simon Gower said:

"This day is a fantastic opportunity for vets from across the country to come together and discuss latest research and enhance our knowledge. All in all, it was a very informative, relaxed and enjoyable day.

"Continued professional development is an important part of our Greyhound Commitment so we are really pleased that so many of our Licenced Vets committed their time to the day. We would encourage everyone to sign up to future events such as these.

"I am thankful to the University of Nottingham, whose presentations today were extremely informative and whose research continues to ensure that we make the best, evidence-based decisions to protect the health and wellbeing of our greyhounds."

Stefano Malegori, Track Vet at Romford, said:

"As usual the training day was informative. It was very interesting to understand how the veterinary kennel inspection will change next year and to hear how the industry, thanks to the effort of GBGB, is committed to ensuring the welfare of every greyhound from racing to retirement."

Tiffany Blackett, GBGB Stipendiary Steward, said:

"It was a really enjoyable day which I'm sure benefitted everyone who attended. It provided great industry relevant CPD for all veterinary surgeons working as greyhound track vets and to those undertaking Veterinary Inspections at greyhound kennels."

DISCIPLINARY COMMITTEE INQUIRIES

The Disciplinary Committee of the GBGB were in attendance at a meeting held on 10th October 2019:-

Dr AJ Higgins (in the chair)
Mr R Coughlan
Mr K Salmon

1 **Perry Barr Stadium - BLING BLING CHIP - Professional Trainer Mr D Davy**

Professional Trainer Derek Davy was found in breach of rules 49 (iv), 152 (i) and (ii), 174 (i)(b), and 217 of the GBGB Rules of Racing in that a urine sample taken from the greyhound BLING BLING CHIP at Perry Barr Stadium on 18th April 2019 was analysed by LGC Health Sciences as containing the presence of a hydroxylated metabolite of cyclizine, and that he had in his charge a greyhound that showed the presence of a substance that by its nature could affect the performance of a greyhound or prejudice its wellbeing; and failed to use his best endeavours to ensure that the performance of the greyhound was to the satisfaction of the GRB.

2 **Perry Barr Stadium - CHINESE EMPEROR - Professional Trainer Mr D Davy**

Professional Trainer Derek Davy was found in breach of rules 19, 49 (iv), 152 (i) and (ii), 173 (v) and 174 (xiv)(b) of the GBGB Rules of Racing in that he refused to submit the greyhound CHINESE EMPEROR for sampling at Perry Barr Stadium following a race on 9th May 2019; and failed to use his best endeavours to ensure that the performance of the greyhound was to the satisfaction of the GRB.

The Above Inquiries

Mr Davy was in attendance. Martin Seal, racing manager of Perry Barr Stadium, participated for part of the hearing by telephone. Peter Rosney, stipendiary steward apologised for his non-attendance. Paul Illingworth, senior stipendiary steward, and Professor Tim Morris, independent scientific adviser, were in attendance.

On behalf of GRB, Mr Gibson referred to a letter dated 10th September 2019 in which Mr Davy relinquished his licence. However, in accordance with Rule 2 of the GBGB Rules of Racing, the alleged breaches occurred when Mr Davy was licensed and so the GRB would be proceeding with the Inquiries.

Mr Gibson proposed that the Committee hear the two cases together. Mr Davy confirmed that the procedure had been explained to him by Mr Gibson and he had no objection to this. To avoid any possible prejudice of one case influencing the other, Mr Gibson advised the Committee to hear the evidence relating to each inquiry separately and reach decisions on each.

Mr Gibson said that no breaches had been admitted in either case.

BLING BLING CHIP

Mr Gibson first referred to a Local Inquiry held on 4th June 2019 into the running of the greyhound BLING BLING CHIP on 18th April 2019 in a 480m A6 contest at Perry Barr in which the greyhound finished first by six and three-quarter lengths in a time of 29.38 seconds. The betting opened at 5/2 returning at 5/4F. Local Stewards on duty had called a preliminary inquiry into the improved performance of BLING BLING CHIP and ordered the collection of a

urine sample that had subsequently tested positive for a hydroxylated metabolite of cyclizine, a sedating antihistamine. At the Local Inquiry, Mr Davy had stated that he had no idea how a substance widely known as a 'stopper' came to be in the greyhound when the dog had run the best race of his career. He said that he considered the dog must have picked up a tablet in the emptying paddock at Perry Barr or by cross contamination from his wife who occasionally took cyclizine. With regard to the improved performance, Mr Davy suggested this was due to a gradual improvement in the greyhound's condition and that the dog was not cramping so much due to the warmer weather.

Mr Gibson referred to the evidence of the GBGB Betting Investigator, Danny Jones, who stated that Betfair had reported a larger than normal volume of bets on the race (£8739.36), of which more than half had been placed by four accounts. Mr Jones reported that BLING BLING CHIP had recorded a time of 29.50 in his final qualifying trial and had been placed in A4 class, but his first four races after that were of a very poor standard recording times of 30.26 – 30.68. On 4th April 2019, the dog having been dropped to A6 class, recorded a time of 29.88, still some way below his trial form. In the race in question on 18th April 2019 the time was 29.28, a significant improvement of 60 spots from his previous race.

The Committee viewed video recordings of the races on 25th March, 4th April and 18th April 2019 and took evidence from Racing Manager, Mr Martin Seal, who explained that he had called the preliminary inquiry to seek an explanation for the time found

by BLING BLING CHIP. He said he would not generally expect a greyhound that had not been raced for two weeks to show such an improvement. He did not consider the weather to have been warm and the track vet had no record of BLING BLING CHIP ever showing signs of cramping.

Professor Morris gave evidence that cyclizine caused sedation at clinical doses, but the scientific evidence clearly indicated that the drug had entered the dog at least 33 hours before sampling, and possibly several days or even a week or more before. He stated that in his opinion this had not been a recent administration.

Mr Davy did not dispute the findings of the hydroxylated metabolite of cyclizine in BLING BLING CHIP but denied deliberately giving cyclizine to the dog to modify its performance. He said he thought it improbable that his wife's tablets could have been taken to the kennel and ingested by the dog. Professor Morris said in his opinion the findings were very unlikely to have resulted from the greyhound licking a contaminated hand.

Mr Davy suggested that the dog could have picked up a tablet in the emptying paddock and the Committee was shown photographs of the paddock area. The scientific evidence however had shown that this had not been a recent administration of cyclizine. Mr Davy also suggested that contaminated rats may have led to the positive finding but again Professor Morris said that the scientific evidence indicated this was highly unlikely.

CHINESE EMPEROR

Mr Gibson next referred to the case relating to the greyhound CHINESE EMPEROR and to the Local Inquiry held on 4th June 2019 relating to a 480m A5 contest at Perry Barr on Thursday 9th May 2019 in which CHINESE EMPEROR had finished fifth beaten five lengths by the winner. The GBGB Betting Investigator, Danny Jones, gave evidence that CHINESE EMPEROR had performed well below his usual form in the race in question. Moreover, serious abnormal betting patterns had been reported to GBGB by bookmakers with the tricast betting on the race described as highly suspicious and indicative of 'organised activity'. The Gambling Commission had been notified. The Committee viewed video recordings

of CHINESE EMPEROR racing poorly on 9th May and earlier races in which Mr Gibson claimed the greyhound had run true to form.

Racing Manager, Martin Seal, gave evidence that following an instruction from GBGB on Friday 10th May, he had sought to obtain urine samples from two greyhounds in the race, one of which was CHINESE EMPEROR. Mr Seal said that he had contacted Mr Davy on Friday 10th May and asked him to bring CHINESE EMPEROR to Perry Barr for sampling the following day. He said that Mr Davy had attended the track on Saturday 11th May but without CHINESE EMPEROR claiming that the greyhound was off-colour. GBGB instructed Mr Seal to tell Mr Davy he must produce a veterinary certificate and to bring the dog to the track on Monday 13th May so a hair sample could be taken. He said he had advised Mr Davy that removal of the dog from the kennels would be regarded as a breach of Rule 19 of the GBGB Rules of Racing and cautioned him of potentially serious consequences. On Monday 13th May, Mr Seal advised GBGB that that the owner of CHINESE EMPEROR, Mr Philip Gallivan, had removed CHINESE EMPEROR plus two other greyhounds from Mr Davy's kennels on Sunday 12th May. In his evidence, Mr Davy claimed he had argued with Mr Gallivan, but the owner had been insistent. He said he had not spoken to Mr Gallivan since he removed his greyhounds. Mr Gibson advised that Mr Gallivan had been designated an inactive person by GRB and was no longer able to register greyhounds with GBGB.

Mr Davy said that Mr Gallivan had not wanted his greyhounds to run at Perry Barr that week due to contaminated sand that had been laid; he had finally agreed that CHINESE EMPEROR would run but he would subsequently take away his dogs from Mr Davy. The Committee received evidence from Mr Seal that there had been some problems with the sand, but it had been carefully checked and cleared by the track Veterinary Surgeon and local stewards who were satisfied that racing could safely proceed.

Mr Davy asserted that he had not refused to provide a sample from CHINESE EMPEROR. He had not taken the greyhound to the track as it had been unwell following the race on Thursday 9th May. He could not explain why he had not told Mr Seal that the greyhound was ill when he

spoke to him on Friday 10th May. He said that he had not obtained a veterinary certificate as requested as he did not have the time to visit the surgery on Saturday 11th May and did not want to move a sick dog around. Nevertheless, he said that the dog was completely back to normal on Sunday 12th May when it was collected by Mr Gallivan's representative at 10 a.m.

The Findings

In the case of BLING BLING CHIP Mr Davy was found in breach of rules 49 (iv), 152 (i) and (ii), 174 (i) (b) and 217 of the GBGB Rules of Racing. The Committee concluded that the performance of BLING BLING CHIP on 18th April 2019 was not consistent with its previous form. They took careful note of the reports of betting irregularities on that race with substantial sums of money being placed by four accounts. The Committee were unconvinced by Mr Davy's explanation that the improvement in performance reflected hard work in training and an absence of cramping due to the warm weather. There was no evidence that Mr Davy had administered cyclizine, but the Committee accepted the scientific evidence that the drug had entered the dog more than 33 hours before the race. On the balance of probabilities, the Committee concluded that BLING BLING CHIP had been given cyclizine to reduce its performance in previous races and that the improved performance on 18th April reflected the absence of sedating effects although a metabolite of the drug was still present in the greyhound's system.

In the case of CHINESE EMPEROR Mr Davy was found in breach of rules 19, 49 (iv), 152 (i) and (ii), 173 (v) and 174 (xiv)(b) of the GBGB Rules of Racing. The Committee were not convinced by Mr Davy's account of events and found him to be a dishonest witness whose evidence was intended to mislead the Committee. On the balance of probabilities, the Committee concluded that Mr Davy had deliberately avoided having CHINESE EMPEROR sampled and had connived at its removal from his kennel, possibly as the dog had been given a prohibited substance to reduce its performance in the race on 9th May. The Committee considered that their conclusion was supported by the finding of highly suspicious betting activity.

The Committee considered the case to be a grave example of race manipulation that attacked the very core of greyhound racing integrity.

Penalties

In the circumstances of the two cases, the Disciplinary Committee ordered that in the first case Mr Davy be disqualified for 12 months and fined £2,000, and in the second case, Mr Davy be made a warned off person indefinitely.
