Funding will be provided towards corrective veterinary treatment for orthopaedic (bone) injuries so that, wherever possible, greyhounds can go onto enjoy a full and active life in retirement. A grant of 50% towards the veterinary costs, up to a maximum of £400 per greyhound, will be payable to the applicant upon completion of an IRS application form and the production of a fully paid veterinary invoice.

To apply for IRS funding, please follow the link in the Welfare section on the GBGB website, contact the GBGB Welfare Department on 020 7822 0900 (option 1) or speak to your stadium welfare officer.

GREYHOUND RETIREMENT SCHEME COORDINATOR VACANCY (HOME & LONDON BASED)

Part Time – 4 days per week

Salary c.£42,500 per annum plus Company Car

Our Greyhound Commitment states that 'every dog leaving racing enjoys a long and happy retirement'. To help achieve this the GBGB has created a new role of Retirement Scheme Coordinator.

This role will provide a critical link between the greyhound industry and forever homes for retiring greyhounds. The role will also be responsible for administering the Greyhound Retirement Bond Scheme through the payments in from owners and the GBGB side of funding for the scheme, providing financial updates to the Main Board and Business Committee.

As a brand-new role managing a new scheme, the successful candidate has the potential to have a significant impact on the way retired greyhounds are re-homed. The Coordinator will be required to set up and develop a network of GBGB approved homing partners across Great Britain.

The role would suit a self-motivated, highly organised and methodical individual who is able to forge strong relationships with trainers and owners as well as animal welfare charities and therefore the suitable candidate will possess excellent communication and networking skills.

The role will require a high degree of financial acumen and therefore a professional financial qualification is essential.

This position will be split between home and office-based time in London.

If you have a genuine passion for greyhounds, are committed to promoting the care and welfare of racing greyhounds and fit the criteria above then please email a copy of your CV along with a cover letter, detailing how you meet the requirements, to Zoë Brown, HR Manager at zoe.brown@gbgb.org.uk.

DISCIPLINARY COMMITTEE INQUIRIES

The Disciplinary Committee of the GBGB were in attendance at a meeting held on 28 January 2020:-

Mr H Starte (in the chair)
Dr M Campbell
Mr M Harrod

1 **Welfare of greyhounds - Professional Trainer Mr K Whitehouse**

Professional Trainer Mr Kevin Whitehouse was found in breach of rules 2, 152 (i) and (ii) and 174 (xi) of the GBGB Rules of Racing.

Mr Whitehouse did not attend. He had written to the Committee stating he would not attend as he had relinquished his trainer's licence in October 2019. Senior Stipendiary Steward Mr Paul Illingworth was in attendance.

The Committee received in evidence statements by Senior Stipendiary Steward Mr Illingworth, Miss Lorraine Sams, who had been the stipendiary steward acting in the inquiry, and the report of independent vet Dr Polly Smith. The Committee also saw video evidence of the examination of greyhounds in Mr Whitehouse's care by Dr Smith on 26 June 2019 and by Ms Sams on 11 July 2019.

The Committee heard that on 19 June 2019 Ms Sams had visited Oakhill Kennels, the kennels run by Mr Whitehouse with his son and wife, for a routine inspection. She had found 46 greyhounds were kept at the kennels, including 26 retired dogs. The kennels were poorly ventilated and lacked natural light. The bedding used for the dogs was dirty and sparse and there was a strong smell of urine. A number of dogs had injuries that had not healed correctly. Some of the dogs were lame. Many dogs had fleas and dental decay. One dog, BLUE BUNTING, was in particularly poor condition with severe dental decay and self-inflicted injury from nibbling at a severe flea infestation.

On 26 June 2019 Ms Sams and Mr Illingworth returned to Oakhill Kennels,

accompanying the independent vet, Dr Smith. All areas of the kennels were inspected and all the greyhounds, racing and retired, were examined.

Dr Smith's comprehensive report detailed an appalling state of affairs at the kennels. There was inadequate light and poor ventilation. There was a strong odour and ammonia fumes that caused irritation to the eyes and nose. Bedding areas were dirty and wet, with insufficient bedding to allow the dogs any comfort. These poor conditions were obviously of longstanding. Dr Smith found the kennel blocks did not provide suitable or adequate housing for the dogs. The number of dogs to be cared for, the number of staff available and the condition of the retired dogs all indicated that the dogs were given inadequate time outside their kennels either for exercise or to display normal behaviours.

Dr Smith found the racing dogs were in better overall condition than the retired dogs, although there was significant flea infestation throughout the dogs in the kennel. Many of the retired dogs were "lean to thin". Some had significant muscle wastage, which had at least in part been caused by poor nutrition and inadequate exercise. There were many cases of dogs with advanced dental disease as well as dogs with historic injuries which Dr Smith concluded had not been adequately treated when sustained and/or had not received adequate care following initial treatment.

Dr Smith reported that the kennel conditions for all dogs were inadequate, unhygienic and did not provide adequate levels for welfare for any of the dogs, racing or retired. On her advice, Mr Whitehouse was given two weeks to implement a comprehensive programme of improvements.

Consent was obtained from Mr Whitehouse for all the retired greyhounds to be removed from the kennels and taken to kennels where they could be treated, properly cared for and restored to health prior to being re-homed.

The Committee heard that with the generous assistance of other kennel owners and their staff, all the retired greyhounds had been removed to properly managed kennels where they had received all necessary treatments and care. For five greyhounds, euthanasia had been the most humane course. Happily, all the other greyhounds removed from Mr Whitehouse's kennels had now been re-homed.

The Committee was in no doubt that by his treatment of the retired dogs at his kennels, Mr Whitehouse was in serious breach of Rule 2, which required him to have full regard to greyhound welfare and comply with the provisions of the Animal Welfare Act 2006 to ensure that the needs recognised by that Act were met. There had been a wholesale failure to provide his retired greyhounds with a suitable environment, a failure to provide them with a suitable diet, a failure to satisfy their need to exhibit normal behaviour patterns and he had entirely failed to protect them from pain, suffering, injury and disease. Equally he was in breach of Rule 174 (xi) by treating or allowing his retired greyhounds to be treated in a manner that had been likely to cause and had caused them serious, unnecessary suffering. He was in breach of both Rule 152 (i) and Rule 152 (ii); this was conduct by Mr Whitehouse that was seriously prejudicial to the integrity, proper conduct and good reputation of greyhound racing.

Mr Whitehouse had shown himself to be someone who could not be allowed to be involved in or associated with greyhound racing. The Committee unhesitatingly agreed with Welfare and Integrity Manager Mr Duncan Gibson that the only sufficient penalty was that Mr Whitehouse be warned off. The Committee ordered that he be warned off indefinitely.

2 **Welfare of greyhounds - Professional Trainer Mr P Ward**

Professional Trainer Mr Phil Ward was found in breach of Rules 2, 152 (i) and

(ii) and 174 (xi) of the GBGB Rules of Racing.

Mr Ward was in attendance. Stipendiary Steward Mr Robbie Steward, Peterborough Stadium Racing Manager Mr James Chalkley and Peterborough Stadium Operations Director Mr Rob Perkins were also in attendance. Peterborough Stadium track vet Ms Ann Whittaker sent apologies for not attending, saying she was away on leave.

The Committee heard that on 25 May 2019 the greyhound YORKIEGALFLO sustained a fractured hock in the 10th race at Peterborough Stadium. The greyhound was given first aid treatment at the stadium by track vet Ms Ann Whittaker. She diagnosed a fractured central tarsal bone. She was unable to return the bone to its correct place, so she put the leg in a cast with the bone not in situ, giving a non-steroidal anti-inflammatory injection and a supply of NSAID tablets.

The Committee heard that it is a legal requirement that when a greyhound is to be transported back to its home with an injury, a transportation certificate must be issued. At GBGB tracks the track vet is required to issue the certificate. It records the suspected injury, the first aid treatment given and the advice given on what further treatment is required. It also states the maximum time before the dog should receive any necessary further treatment by a vet and stipulates that, after being transported to its home, the dog's next journey must be to the vet for the advised treatment.

The Committee heard that three copies of the Transport Certificate are made when the vet fills in the form: one that is given to the trainer or kennel hand transporting the greyhound home; one that is given to the stadium to be filed; and one that is retained in the track vet's records.

The Committee saw a copy of the transportation certificate issued by Ms Whittaker for YORKIEGALFLO. It recorded a suspected fractured central tarsal bone. Ms Whittaker wrote that she had cast the injury but was unable to put the bone into the correct position. She wrote that it would need x-ray and repair, probably with one or more internal screws. She recorded advising "Needs X-ray & recast within 7 days".

In her first statement to the Local Inquiry Ms Whittaker said she had recommended an X-ray and veterinary examination in a few days, advising it was likely that surgical repair would be necessary. In a second statement Ms Whittaker said she had clearly stated to the kennel hand who was assisting her that YORKIEGALFLO needed to go to a vet within 72 hours to have the

cast removed and an X-ray taken, with the possibility it would need internal fixation. She said she had given clear verbal and written instructions to the kennel hand and trainer. She said she had ensured the trainer's copy of the transportation certificate was given to the trainer, but could not remember whether she handed it to Mr Ward or his kennel hand.

In his statement to the Local Inquiry, Mr Paul Mott said he was the kennel hand who took YORKIEGALFLO to Peterborough Stadium on 25 May 2019 for Mr Ward. He said that when he went to the vet's room she told him the greyhound had a broken hock and that she had already placed it back together and put a cast on it. He said the vet gave him pain killers for the dog and that she had told him to give them to the dog as instructed on the packet and to leave the cast on for four to five weeks. Mr Mott said these were the only instructions about treatment he was given and that he did not remember being given a transport certificate.

Mr Ward's evidence to the Local Inquiry and the Committee was that after returning YORKIEGALFLO to his kennels Mr Mott had told him that it had broken its hock, that the vet had given him tablets for the dog and that she had casted the injury. He told the Committee this conversation happened the morning after the greyhound returned home injured. Mr Ward said he did not receive a transportation certificate. He told the Committee that while he had previously been given a transportation certificate by the vet at Peterborough Stadium, on other occasions no transportation certificate had been given to him when he had brought greyhounds with fractured hocks home from treatment by the track vet.

Stipendiary Steward Mr Robbie Steward told the Committee his inquiries had found that, prior to this incident, the procedures for issuing and recording transportation certificates had not always been followed at Peterborough Stadium. He had been told that certificates had not always been issued when a greyhound was taken home with an injury.

There was no doubt that the track vet had written a transportation certificate in this case and no doubt about what it said. It was decidedly odd that Mr Mott could so completely fail to understand what Ms Whittaker must have been trying to tell him: particularly that the cast would have to be removed and further veterinary treatment given. Nonetheless, the Committee could not find on the balance of probabilities that Mr Mott had been given the trainer's copy of the transportation certificate or that he had not honestly

misunderstood what Ms Whittaker was trying to tell him.

Mr Ward's evidence was that some four weeks after YORKIEGALFLO was injured, he had removed the bandage to find the cast was loose enough to fall off, while the greyhound's toes were sweaty and smelt bad. He said he had bathed and disinfected the toes and applied laser treatment to the hock.

The evidence was that Mr Ward then decided to retire YORKIEGALFLO and that his kennel hand, Ms Brooke Coleman, took the greyhound home as a pet. In her statement, Ms Coleman said the greyhound had not got on with her other animals at home. After a month, she told Mr Ward she would rehome it with family or friends. She posted on her Facebook page, offering the dog to a good home. Ms Coleman was then contacted and put in touch with Barley Kennels Greyhound Rehoming.

After taking in the greyhound, a representative from Barley Kennels wrote to the GBGB, sending photos of its injured leg. She observed that it clearly had not been fixed or had time to heal and could not have been properly healed when it left Mr Ward's kennel. The greyhound was obviously in a lot of pain, for which it had been started on strong pain relief.

On 25 July 2019 YORKIEGALFLO was examined by a vet who found the dog was lame, with a misshaped hock. There had been a central tarsal bone fracture and probably a compression fracture of the fourth tarsal bone. The fracture was healing with a deviation causing continuous stretching of tendons. In his opinion, without surgical repair the dog would probably always be uncomfortable. The longer surgery was delayed, the more complicated it would be.

The Committee found that when he discovered the loose cast, it must have been obvious to Mr Ward as an experienced trainer that the hock had not healed properly and that veterinary advice on further treatment was required to avoid further unnecessary suffering. Mr Ward's evidence was that he realised the dog was lame. Ms Coleman stated the dog had "a hop" when she posted on her Facebook page. Staff at Barley Kennels found the dog was suffering and in pain when it came to them. The vet observed a dog that was lame and which would probably always be uncomfortable without surgical repair.

In these circumstances, the Committee found Mr Ward in breach of Rule 2 and the provisions of the Animal Welfare Act 2006 by failing to protect YORKIEGALFLO from pain, suffering and injury. He was in breach of Rule 174 (xi) by treating the greyhound

in a manner that had been likely to cause and had caused it unnecessary suffering. By virtue of these breaches he was necessarily in breach of Rule 152 (i). He was also in breach of Rule 152(ii): his treatment of YORKIEGALFLO was conduct that was seriously prejudicial to the integrity, proper conduct and good reputation of greyhound racing.

Mr James Chalkley, Racing Manager at Peterborough Stadium, told the Committee that other than this incident, there had never been any cause for concern about Mr Ward's commitment to the welfare of greyhounds. Mr Rob Perkins, Operations Manager at Peterborough Stadium, said he believed Mr Ward loved his greyhounds, recognised he had fallen down seriously on this occasion and would do things differently in the future.

The Committee accepted from Mr Ward that he understood he had made a bad mistake for which he was genuinely sorry and that he would see that veterinary advice was obtained and followed in future. But this was a very serious failure to care properly for the greyhound YORKIEGALFLO. The Committee stressed that retirement was not an alternative to getting an injured dog the appropriate treatment needed for it to make a good recovery. Mr Ward received a severe reprimand and was ordered to pay a fine of £1,500.
