## Virtual GBGB Awards 2020

In a year that has been anything but conventional, GBGB has confirmed that the stars of 2020 will be recognised at a unique and exceptional awards ceremony, held and broadcast virtually on the evening of Sunday 14<sup>th</sup> February at 6pm.

While the current Covid-19 restrictions prevent greyhound racing fans and supporters of the sport coming together to celebrate its stars in person, the 2020 GBGB Awards will have no less significance in ensuring that their achievements can and will still be recognised.

Categories will remain the same as in previous years. This includes recognising 2020's canine stars across each of the different racing disciplines, together with the best of British breeding, and those awards celebrating the incredible people behind our sport.

Details of how to register for this exciting event will be published soon.

## NOMINATE YOUR 2020 BAGS KENNELHAND OF THE YEAR

The Greyhound Board of Great Britain (GBGB) is calling for nominations for the 2020 BAGS Kennelhand of the Year Award.

This prestigious award is presented to one outstanding kennelhand who shows impressive commitment to their work and who goes above and beyond to provide the highest standards of care to the greyhounds in their charge. The winning kennelhand will win £500 and a special trophy in recognition of their dedication and exceptional efforts.

To submit a nomination for this year's award, please email the name of your nominee, a brief description of why you think they should win and your own contact details to [awards@gbgb.org.uk](mailto:awards@gbgb.org.uk) with the subject line 'Kennelhand of the Year 2020'.

The deadline for nominations is Monday 18th January 2021. After this date, a panel comprising several industry experts will meet virtually to discuss each nomination and decide the winner of the sought-after title.

Whilst the current Covid-19 restrictions prevent greyhound racing fans and supporters of the sport coming together to celebrate its stars in person, the 2020 GBGB Awards will still go ahead this year as part of an exciting virtual event. This will be held and broadcast online on the evening of Sunday 14th February 2021.

Mark Bird, GBGB Managing Director, said:

*"This award is our annual opportunity to thank the kennelhands of our sport for their hard work and dedication to their role. Each day across our trainers' residential kennels, our kennelhands are working tirelessly to care for their greyhounds, ensuring they bring out the best in them both on and off the track.*

*"This year, in particular, kennelhands have played an invaluable role within trainers' teams to keep owners updated and kennels running smoothly. I know how difficult this period has been for everyone so kennelhands across our sport should be proud of everything they have done in support of our greyhounds."*

## GBGB MAINTAINS UKAS ACCREDITATION

Following audits by the United Kingdom Accreditation Service (UKAS) during 2020, the Greyhound Board of Great Britain (GBGB) is pleased to announce that it has successfully maintained its UKAS accredited status for the inspection and licensing of racecourses.

GBGB first achieved UKAS accreditation in 2010 and has consistently met the standards for licencing and certification services, guaranteeing high standards of greyhound welfare across all its licenced racecourses. GBGB is now building on this by seeking UKAS accreditation for the inspection and licencing of trainers' residential kennels.

Due to the Covid-19 pandemic, all UKAS audits since March 2020 have been carried out remotely, with assessors and accredited bodies such as GBGB utilising virtual meeting software and secure file sharing applications to carry out what are usually office-based audits. Remote technology allowed UKAS technical assessors to view field inspections despite not being on site, to keep all participants safe and all processes Covid-secure.

During their audit, UKAS were able to view both the practical and theoretical sides of track inspection and licensing to fully assess compliance with all clauses of the international standard ISO17065, against which GBGB is assessed. All elements of GBGB's COVID-19 Operational Policy were also assessed and deemed "comprehensive" ensuring a "well managed return to racing".

Amanda Duplock, GBGB Quality Manager said:

*"2020 has obviously been a difficult year for all in so many ways, and businesses have had to quickly amend their practices to allow work to continue. With UKAS being a body that monitors quality, safety and effectiveness, it was essential for its assessments for take place to maintain confidence in the products and activities it accredits.*

*"This presented unique challenges for UKAS and for GBGB around our two surveillance assessments this year. We were, however, able to hold what is usually a 'Head Office' audit remotely, allowing a thorough and detailed review of our documents, processes and procedures by UKAS. This year's track inspection audit involved a UKAS inspector viewing a Stipendiary Steward in real time via a video feed as they carried out an annual inspection at a track, allowing everyone to comply with all safety measures.*

*"It was a new experience for all GBGB staff involved, but it worked effectively and allowed us to demonstrate to UKAS that, despite the extraordinary circumstances of 2020, our inspection processes are continuing at the same consistently high standards."*
