In accordance with the 8th clause of the rental contract, you are notified of your obligation to provide the lessor with complete and truthful information regarding the accident, to enable the correct processing of the case. Providing false information may result in civil and criminal responsibility. In compliance with the legislation pertaining to the Protection of Personal Information, we inform you that the information provided will be included in an automated database of personal information created by, and under the responsibility of GOLDCAR SPAIN SL, for the purpose of processing the accident details, giving your express consent for this information to be passed on to third parties for this purpose. If you wish to exercise your right to access, rectify, oppose and cancel this information you can do so by sending your request in writing and with a photocopy of your National Identity Document or passport to the company address: Camino de Campet, S/n, and Crta N332 Km 115. 03550 San Juan de Alicante.

Attention: Depending on your destination, the service you are purchasing from InterRent may be operated by Goldcar (member of the Europcar Group) under the same conditions as the ones communicated during your current booking. Please check the legal information before confirming your booking and your confirmation e-mail for more details.
