

## **BOW PHOTOGRAPHY PROJECT**

*Are you a young person living in Bow with an interest in photography?  
If so, this project is for you!*

**Meet new people!  
Learn new skills!  
Demonstrate your creativity!  
Create an exhibition with your photos!**

The focus of the project is on local communities and places in Bow East and Bow West, with the resulting photos exhibited at Ideas Store Bow, including a special preview event.

This is a great opportunity to learn more about the art of photography, including key creative and technical skills. Sessions will include:

- getting inspired by what photography can do
- learning about technical aspects
- going out on shoots around Bow
- developing new skill such as editing
- Putting together a final exhibition with a selection of photos and captions

We are looking for young Bow residents to take part in this exciting project.

The sessions will take place on the following dates:

**2, 9, 16, 23, 30 May & 6 June at 5pm, location TBC**
