

My House – Passey Place

Visit www.tfl.gov.uk to plan your journey to Eltham

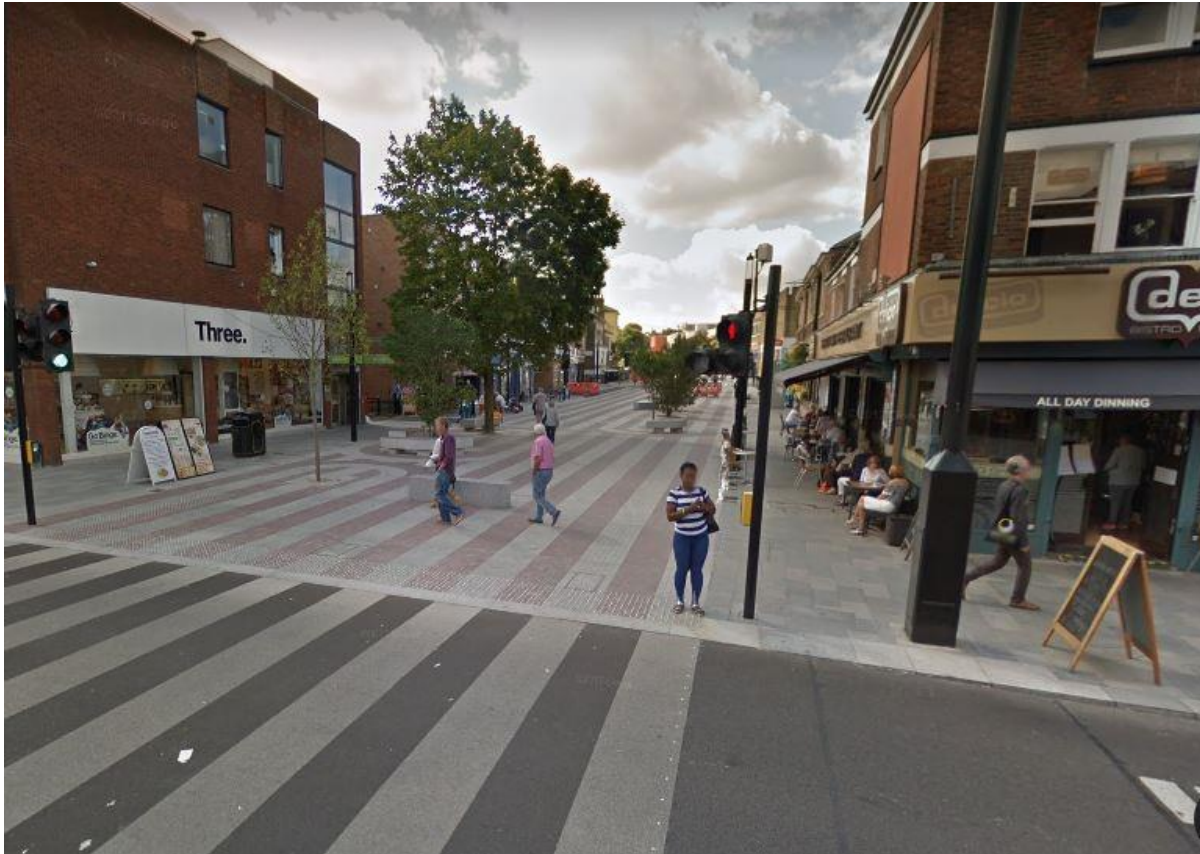

1. When you arrive at Eltham station you will have a choice of three buses 314, 233 and 162 from outside the station. Take any of these until stop L on Eltham High Street. You will be directly outside Burger King.

2. From here turn back around to face the way you came on the bus and continue down the High Street until you reach the traffic lights and crossing directly in front of Costa

3. Once you have crossed over you will see Passey Place directly in front of you. Enjoy!

If you have any questions, don't hesitate to ask one of our friendly GDIF volunteers!
