In their celebration of diverse and wide ranging cinematic productions, festivals are vital avenues for films to be seen, acquired, distributed and exhibited to audiences all over the world. On this panel, a number of prominent programmers will discuss the place of Arab Cinema in their respective festivals, giving audiences in attendance the chance to acquire a deeper understanding of the exciting yet highly competitive world of the international festival circuit and the numerous opportunities it opens up.</p>	

<p>September 28 10:30 AM / 11:45 AM PANEL DISCUSSION: Refugee Crisis: Social Impact through Films Directed by: duration: 75 min</p>	<p>CINEMA FOR HUMANITY Refugee Crisis: Social Impact through Films The panel gathers a group of filmmakers along with experts to talk about the urgent issue and crisis of refugees today. The discussion involves organizational representatives, activists, and the filmmakers who have worked on the issue of refugees to address how the filmmakers can use their creative sparks to inspire and trigger action and changes. Additionally it questions the practices of filmmaking in such situations and conditions, and the responsibility of the maker and the medium itself towards humanity. This panel discussion is presented in Partnership with UNHCR</p>	
<p>September 27 10:30 AM / 12:00 PM MASTERCLASS: The Screenwriter's Path Directed by: duration: 90 min</p>	<p>Masterclass by Jeff Stockwell and Richard Tanne, Moderated by Ghada Shahbender Jeff Stockwell and Richard Tanne are two American screenwriters of two different generations and career paths, in and out of big studio productions. Working for Disney, Pixar, and on Independent Productions. In this conversation between both of them we discuss the different ways of making it in the industry as a screenwriter, and how the industry itself is evolving, and how this reflects on the nature of storytelling and structure itself. This Masterclass is presented in partnership with the American Film Showcase and The US Embassy in Cairo, Egypt</p>	
<p>September 26 12:30 PM / 2:00 PM PANEL DISCUSSION: Production Stories: Arab Producers in Conversation Directed by: duration: 90 min</p>	<p>Production Stories: Arab Producers in Conversation This panel brings some of the most daring, dedicated and promising producers from the Arab world together in a conversation about the practices of film production in the region. Covering topics such as the role of the producer, the producer's relationship with the director, the challenges of securing funding and ways through which the myriad hurdles facing film producers are overcome, the panelists will engage in a lively discussion about the biggest challenges they have faced in their careers and how they were able to overcome them and complete their projects.</p>	

<p>September 26 10:30 AM / 12:00 PM MASTERCLASS: Creative Collaboration: Oussama Fawzi and Mahmoud Hemida in Conversation Directed by: duration: 90 min</p>	<p>Creative Collaboration: Developing a Unique Vision & Language Oussama Fawzi and Mahmoud Hemida collaborated together on three widely acclaimed films; <i>The Asphalt Kings</i> (Afareet el-Asphalt) 1995, which won the Jury Award in 1995 in Locarno Festival, <i>Fallen Angels Paradise</i> (Gannet Al Shayateen) 1999, and <i>I Love Cinema</i> (Baheb El-Cima). In this masterclass we host a conversation between both of them on how they co-operated to make these three outstanding films; what are the key reasons for their collaboration, how they developed the film’s vision, language, and characterizations together.</p>	
<p>September 25 12:30 PM / 2:00 PM PANEL DISCUSSION: State of the Environment: Social Impact through Films Directed by: duration: 90 min</p>	<p>CINEMA FOR HUMANITY State of the Environment: Social Impact through Films Climate change has a devastating, undeniable, effect on all our surroundings, including the nearby coral reef. The undersea reality is coral bleaching, a sign of mass coral death that is occurring on a scale so vast and pace so rapid that it defies comprehension. Climate change denial is an increasingly hard sell with the continuing rise in extreme weather. Our panel will use the two films; <i>Chasing Coral</i> and <i>An Inconvenient Sequel</i> to address climate change and the future of corals and how storytelling has become the most powerful tool for conservation and understanding global environments.</p>	
<p>September 24 12:00 PM / 3:00 PM Tayarah’s Short Film Pitch and Workshop Directed by: duration: 180 min</p>	<p>Tayarah’s Short Film Pitch and Workshop Tayarah together with an all expert panel on Film-making and digital content will discuss and develop the submitted ideas in order to find this one fresh idea that we can develop as a short film.
