

CASE STUDY

Decathlon Ghana Limited

PROJECT;

Digital Collections for Decathlon Ghana
Online (www.decathlon.com.gh)

DURATION

1 Day

Objective:

1. Set up a digital collections channel for Decathlon Ghana's store which can collect, mobile money, card, bank and USSD payments.
2. Track payments and simplify reconciliations.

Problems solved

1. Simplified collections of payments to the Decathlon store both online and in-store.
2. Enabled Decathlon to accept mobile money and card payments online.

Quote

Working with the team from DreamOval was refreshing. They understood our need for simplified collections for our online and brick-and-mortar store. We are excited to work on other projects with them
