

## Rum Kitchen.

Our cocktail menu has been carefully curated over 4 years of testing and tasting. They take into account our travels and inspiration from some of the greatest mixologists, blenders & bars world wide.

We adopt a new school attitude whilst paying homage to rum classics.

We have a wide range of rum from all over the Caribbean and beyond that is constantly updated. Please ask a bartender for more information or if you'd like to have a look at our rum bible.

Rum's start at £4.50 for 25ml | All other spirits are from £4.50

For any drinks off menu, just ask a member of the bar staff and they will make anything you want, as long as the ingredients are there.

If you have any allergies please let your server know.
