

# Picnicking

**Do your own thing** Bring your own gourmet picnic, bag the best spot and create your own idyll. Sit under an apple tree in the Walled Orchard, or by the Crinkle-Crankle Wall or in the woods . . . the possibilities are endless.

**Porter £25** A porter will carry your hamper from the car park to your picnic spot. *Once you have parked your car, walk towards the house where porters will be waiting. This is a one-way service and should be booked in advance.*

**Fortnum & Mason Hampers** see page 13

Delivered daily, fresh from Piccadilly.

**Bespoke Hamper** You may want something completely different. Charlotte Pomroy is ready and waiting to suggest something very special.

**Reserved place in a marquee £15 per person** The three marquees are located on the Croquet Lawn (by the Catalpa tree) and two more in the orchard. You get your own table, chair and tablecloth for the size of your party.

**Reserve an Indian pavilion £135** Dotted around the place (see map) are Indian pavilions (4m diameter) made in Jodhpur. They have four fixed sides and two sides that can be attached in case of English weather. They seat 8-12. Besides the chairs and clothed table, there is a serving table.

**Crockery £15 per person** 2 glasses, 3 plates, cutlery, coffee cup, napkins.

## ARE YOU BRINGING YOUR OWN STAFF OR CATERER?

It is essential that you contact the Box Office and notify us. You will need to book a pair of pavilions next to one another. The grounds open at 4pm.

If you bring your own furniture, it can be used at the east end of the Walled Orchard and on the edges of the parterre gardens. No barbecues or erected structures.

**WE ALWAYS AIM FOR ELEGANCE**
