# A Team Approach

Together we offer client organisations a unique combination of an insurance broking advisory and risk management service supported by specialist medical professional liability underwriters, and the experience of one of the UK's leading personal injury medical defence lawyers.

By choosing Graybrook and MPLC you will be dealing with medical liability insurance experts who understand your business and the cover you require.

We work together to design implement and manage individual insurance programmes in full consultation with clients, which offer the following key benefits..

# Key Benefits

- Overview and expert analysis of current programmes.
  - Risk control and management recommendations.
    - Interactive web links.
- Promotional material raising level of awareness within membership.
  - Comprehensive summaries of cover.

# Key Benefits Continued

- Evidence of insurance certificates when required.
  - All Policies have Lloyd's security:
    - A+ Standard & Poors
    - AA- Fitch Ratings
    - A A.M. Best

Lloyd's rating's as at 10 June 2014

# Key Benefits - Continued

- Access to MPLC's unique approach to claims handling via its ClaimPro Software, Claims can be notified online.
- Kennedys and MPLC's own in-house experts work closely together to quickly assess claim validity and identify next steps via ClaimPro, clients are made aware of and involved in all stages of our professional and transparent claims handling service.
  - ClaimPro incorporates valuable online reports and risk management tools.
- 24/7 Legal guidance and support. MPLC's 24 hour legal helpline means that we are there when you need us most. The helpline is delivered through a unique partnership with Kennedys which has a national network of offices and unrivalled expertise in litigation and dispute resolution.
