

How to find us.

The Kudos Office is located about 20 minutes drive/taxi (30 minutes on the U1 or 280 bus) from the centre of Oxford, or just 2 minutes off the M40 junction 8.

Address:

3&4 Ashurst Court
London Road
Wheatley
OX33 1ER

+44 (0)1865 872527

If you are driving from Oxford, head onto the Eastern By-Pass A4142 and then follow the slip road sign posted 'Wheatley / Holton' which will head onto London Road A40. Continue straight on London road. After Asda, you will go over a small bridge. Keep going straight and you will see a white sign for 'Fantastic Fireworks' on the left hand side. Turn right when you see this sign into the Ashurst Court Business Park. Follow the road round and turn left into the courtyard, we are the buildings straight ahead.

If you are driving from London, follow the M40, taking exit 8 (Oxford / Cheltenham) onto the A40. Continue on the A40 for half a mile then take the A418 exit towards Aylesbury and Wheatley. Turn Left onto London Road towards Wheatley, then take the second turning on your left into Ashurst Court Business Park. Take the first turn on your left inside the business park

through a narrowing entrance and we are the first building on your left after passing through that entrance.

Bus Routes

The U1 bus can be caught from Castle Street in the Oxford City and The 280 bus can be caught from the Oxford City Centre Railway station (On the Paddington Line) or outside the County Hall in the City Centre. Both buses stop right outside the business park called Ashurst Court.

The 280 also can be caught from Thame and Haddenham Railway Station, Buckingham, on the Marylebone Line.

Parking

We have a visitor spot at the front of the office which can be reached by taking the first turn on your left inside the business park through a narrowing entrance. The very first building on your left is where you will need to park.

Overflow parking can be found by entering the business park and following the main road through the business park. You will then reach the overflow area on your right hand side.
