Books and E-Books for SAP Professionals

SAP S/4HANA • SAP HANA • Business User Guides • Certification Guides • Programming
Finance and Controlling • Business Intelligence • Administration and EIM • Human Resources
Supply Chain Management, Logistics, and Manufacturing • Customer Experience Management
In this book, we examine eight megatrends that are shaping the world of business, the world around us, and the SAP solution portfolio. In discussion with experts and executives of SAP, customers and partners, and our own industry and solution leaders, we have compiled a wide range of perspectives to discuss and share a vision of how today’s business as unusual will become tomorrow’s best practices, enabled by the full range of solutions from SAP and our partners.
