It's finally here: your all-in-one guide to Employee Central Payroll! From step-by-step instructions for configuring wages, personal data, pay statements (and more!) to guidance on running your payroll and reporting on system operations, this book has it all. You'll walk through master data integration with Employee Central and master every aspect of the Payroll Control Center. Whether you're new to SAP SuccessFactors or adding to your existing cloud HR landscape, this is the book for you!

Marson, Murray, Toombs
SAP SuccessFactors Employee Central
The Comprehensive Guide
Ready for SAP SuccessFactors Employee Central? First, master the Employee Central workforce admin functionality for hiring, time sheets, benefits, payments, and termination. Next, learn to configure permissions, implement mass changes, and set up workflows, company structures, and business rules. Finally, explore integration with SAP and third-party applications to get the most out of your HR setup. From implementation to operations, this Employee Central book has it all!
