SAP S/4HANA Migration

If you’re planning on migrating to SAP S/4HANA, you likely have questions. Let our guides answer them. First, become familiar with the SAP Activate methodology you’ll use when moving from your existing SAP ERP system. Understand what sets SAP S/4HANA apart from the legacy solution and learn about its foundation and architecture. Then learn more about your migration paths and perform a system conversion with step-by-step instructions for technical and functional migration. Finally, get guidance on testing and moving custom code to your new system.
