# Welcome!

Dear Reader,

2015 is in full swing, and at SAP PRESS we've already groomed a number of future all-stars—don't miss out! If Finance is your domain, *SAP Simple Finance* on p.25 will introduce you to SAP's red-hot new product. If you're a developer, it'll be tough to

decide where to start: Should you brush up your ABAP skills with *ABAP to the Future* (p.6), or move directly to the cloud with *SAP HANA Cloud Platform* (p.4)? And if QA is your domain, *Quality Management with SAP* (p.21) will give you full peace of mind regarding your processes!

There are so many choices when shopping with SAP PRESS, we understand it can be difficult to decide what to purchase. Now you don't have to worry! We have partnered with ASUG, VNSG, and DSAG to give you 15% off all purchases! Check your user group's website for details. But if you're in the mood to see everything we have to offer, consider our annual on-line subscription. With 170+ titles and every new book right in your library, what more could you need?

Last, but not least: We're excited to slowly unveil a new product! Tired of not finding the answer to that one nagging question that holds up your project? Need lightweight, concise, and up-to-date information? Then SAP PRESS E-Bites are for you! Stay tuned so you don't miss our launch in early fall.

With best regards,

*Florian Zimniak*
