 SERVER1

Devices:

Device Name	Segment	Size	Device Name	Segment	Size
_____	Default	_____	_____	_____	_____
_____	Default	_____	_____	_____	_____
_____	ncindexes	_____	_____	_____	_____
_____	logsegment	_____	_____	_____	_____

Users:
 Task 41
 Others: _____

Groups, Membership, and Permissions:

Use	Group Name	Members	Permissions			
			INS	UPD	DEL	EXE
<input type="checkbox"/>	_____	_____	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<input type="checkbox"/>	_____	_____	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<input type="checkbox"/>	_____	_____	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<input type="checkbox"/>	_____	_____	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<input type="checkbox"/>	_____	_____	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

To Do:

- Enough "open dbs"?
- Create database
 - Add DBO
 - DBO aliased in other dbs
- Initial DB dump
- Set sp_dboption
- Object Creation #1
 - Extract DDLs:
 - Source: _____
 - Modify DDLs
 - Load DDLs:
 - Destination: _____
- Object Creation #2
 - Segments
 - ncindexes
 - Threshold
 - Last chance pages: _____
 - # of pages _____
 - doc: (LOG) _____
 - doc: (default) _____
- Groups
- Users
 - Permissions in other dbs
- Aliases
- Defaults
- Rules
- Types
- Binding defaults
- Tables
- Foreign keys
- Binding defaults again
- Views
 - Unresolved references
 - Foreign db references
- Procedures
 - Unresolved references
 - Foreign db references
- BCP DATA
 - Source: _____
- Triggers
- Indexes
- Add constraints
- Drop constraints
- Add constraints again
- Add procedures again
- Check available space
 - ncindexes: _____
 - Default: _____
- Check errorlogs
- Compare old vs. this
- Object creation done
- DB backup/baseline
- DBCC everything
- Source files dir stru
 - SCCS dirs
- Copy to prod scripts
- backupdbs script
- Update statistics script
- Log dump times: _____
- Check backups
- _____
- _____
- _____
