Essential Travel Declaration

Gymnastics Ireland are issuing these Selection Policy documents in order to operate in-line with GI policy and FIG event entry deadlines however at the time of issuing the same we are operating under 'essential travel' only advice as per the Department of Foreign Affairs & Sport Ireland. Should these government positions remain in place at the time of this event, then the event would not fit the parameters of what would qualify for 'essential travel'. GI will not be sending any delegations/teams to any event that does not meet the 'essential travel' definition. 'Essential Travel' has been defined by Sport Ireland for Olympic NGBs as qualification/preparation events for Tokyo 2020 Olympic Games only. Clubs that enter into this trial process do so understanding this and are expected to communicate this clearly to gymnasts/parents so they are fully aware that this may affect the ability to attend. Clubs/parents/gymnasts must also understand that there is a strict no-refund policy in place re entering this process as per the FA which is deemed fully agreed to by anyone who chooses to enter the selection process.
