

## **The Halfway Inn Festive Specials 2021**

During December (excluding Sundays) we will be offering some daily specials with a festive flavour to tempt your tastebuds.

We are not offering a specific Christmas Menu as we feel pricing the dishes individually and offering them alongside our main menu and daily specials gives you the widest possible choice of menu.

They will be subject to availability daily, and pre-orders are required for groups of 6 or more, so if you see something that you like do not hesitate to phone or e mail and reserve your choice to avoid disappointment.
