Welcome back to The White Hart!

Due to new government guidelines there are new procedures we need to insure for your own safety and our team members on you're visit.

Restrictions:

- **Please sanitize your hands** as much as possible with our sanitize stations
- You can only have **tables up to six people** from all different households
- You need to **reserve a table** as we don't accept walk-ins
- There **MUST** be **no standing up drinking** at any point
- We prefer **orders made online and contactless payments**
- The Team advises you for only **two people to be in the toilet at one time**
- Please **do not push tables together**. They are positioned in a certain way for a reason.

One Way System

When entering the pub building you **MUST** go through the front door and leave through conservatory door. This helps maintain the 1 meter distance for anyone on our premises.
